

PETITION FOR CRIMINAL HISTORY ELIGIBILITY DETERMINATION

If you are seeking a review of your criminal history as a potential disqualification to obtaining a license, please submit a written request, along with your criminal history documentation, to the Chief of the Licensing Division via U.S. mail or fax.

No later than 90 days after receiving the required documentation, a determination will be made as to whether your criminal history will disqualify you from obtaining a license. If a disqualification determination is rendered, then the Petitioner will be provided instructions to remedy such determination of disqualification. This Board is not bound by such a determination, and may rescind such determination at any time.
