NEVADA STATE BOARD OF
MEDICAL EXAMINERS

COMPLAINT

The Investigative Committee of the Nevada State Board of Medical Examiners, composed of Sohail U. Anjum, M.D., Chairman, S. Daniel McBride, M.D., Member, and Van Heffner, Member, by and through Lyn E. Beggs, General Counsel for the Nevada State Board of Medical Examiners, having a reasonable basis to believe that James. G. Boyle, C.R.T., hereinafter referred to as Mr. Boyle, has violated the provisions of NRS Chapter 630, hereby issues its formal Complaint, stating the Investigative Committee's charges and allegations, as follows:

1. Mr. Boyle is currently licensed as a practitioner of respiratory care in active status, and was so licensed by the Nevada State Board of Medical Examiners, hereinafter referred to as "the Board," on October 22, 2007 (License No. RC1428), pursuant to the provisions of Chapter 630 of the Nevada Revised Statutes and the Nevada Administrative Code, and at all times addressed herein was so licensed.

2. Mr. Boyle was convicted of a misdemeanor in California in July 1993 for engaging in the practice of respiratory care without a license after Mr. Boyle continued practicing respiratory care for approximately two and half months after his temporary work permit was invalidated.

3. Mr. Boyle was subsequently licensed to practice respiratory care by the state of California on July 20, 2004 after entering into an agreement with the California Respiratory Care

1 Board in which he made several admissions relating to the circumstances surrounding his 1993
2 conviction.

3 4. Mr. Boyle was convicted in California in December 1997 of one felony count of
4 assault by means of force likely to produce great bodily injury.

5 5. In 1999, the California Respiratory Care Board filed an accusation against
6 Mr. Boyle containing allegations regarding to Mr. Boyle's criminal convictions as well as alleging
7 that Mr. Boyle failed to notify the California Respiratory Care board of his 1997 conviction on his
8 1998 California renewal application.

9 6. On September 10, 1999, the California Respiratory Care Board revoked
10 Mr. Boyle's license to practice respiratory care in the state of California by default as Mr. Boyle
11 was unable to be contacted by the California Respiratory Care Board as he had failed to update his
12 address with the California Respiratory Care Board.

13 7. Mr. Boyle was subsequently convicted of a misdemeanor offense of disturbing the
14 peace in the state of California in July 2001.

15 8. In April 2005, Mr. Boyle was again convicted of a criminal offense in the state of
16 California and was placed on probation.

17 9. On April 17, 2007, Mr. Boyle signed, dated and had notarized, his application to
18 the Nevada State Board of Medical Examiners for a license to practice respiratory care.

19 10. Mr. Boyle answered negatively to question #12 of the application which reads,
20 "[h]ave you ever been investigated for, charged with, convicted of or plead guilty or nolo
21 contendere to any offense or violation of any federal (including U.S. Military), state or local law,
22 including any foreign country, which is a misdemeanor, gross misdemeanor, court-martial, or
23 felony, excluding any minor traffic offense (driving or in control of a motor vehicle while under
24 the influence is not considered a minor traffic offense) or for any offense which is related to the
25 manufacture, distribution, prescribing, or dispensing of controlled substances?" Mr. Boyle failed
26 to provide any information regarding any of his previous convictions.

27 11. Mr. Boyle answered negatively to question #20 of the application which reads,
28 "[h]as your certification or licensure to provide respiratory care services or any other healing art,

1 been subject to an investigation or ever been subject to being limited, restricted, suspended or
2 revoked in any state, country or U.S. territory?" Mr. Boyle failed to provide any information
3 regarding the revocation of his California license to practice respiratory care.

4 12. As indicated above, Mr. Boyle was issued a license to practice respiratory care in
5 the state of Nevada on October 22, 2007.

6 13. On January 27, 2008, Mr. Boyle renewed his license to practice respiratory care in
7 the state of Nevada via on-line renewal. Again Mr. Boyle answered negatively to questions
8 pertaining to prior criminal convictions and failed to disclose the revocation of his California
9 license to practice respiratory care.

10 **Count I**

11 14. Nevada Administrative Code Section 630.540(1) provides that willfully and
12 intentionally making a false or fraudulent statement in applying for or renewing a license to
13 practice respiratory care is ground for initiating discipline against a licensee.

14 15. Mr. Boyle willfully and intentionally made false or fraudulent statements to the
15 Board in applying for licensure to practice respiratory care in Nevada in 2007, and again when he
16 renewed his license in January 2008, when he failed to disclose any of his previous criminal
17 convictions and accordingly he has violated NAC 630.540(1).

18 16. Mr. Boyle willfully and intentionally made false or fraudulent statements to the
19 Board in applying for licensure to practice respiratory care in Nevada in 2007, and again when he
20 renewed his license in January 2008, when he failed to disclose the revocation of his California
21 license to practice respiratory care and accordingly he has violated NAC 540(1).

22 17. By reason of the foregoing, Mr. Boyle is subject to discipline by the Nevada State
23 Board of Medical Examiners as provided in Section 630.355 of the Nevada Administrative Code.

24 **Count II**

25 18. Nevada Administrative Code Section 630.540(11) provides that conviction of a
26 felony, any offense involving moral turpitude or any offense relating to the practice of respiratory
27 care or the ability to practice respiratory care is grounds for initiating discipline against a licensee.
