EXECUTIVE DIRECTOR

COMPLAINT

The Investigative Committee of the Nevada State Board of Medical Examiners (Board), composed of Sohail U. Anjum, M.D., Chariman, and S. Daniel McBride, M.D., Member, by and through Edward O. Cousineau, Deputy General Counsel for the IC, having a reasonable basis to believe that Sidney Frank, M.D., hereinafter referred to as "Respondent," has violated the provisions of NRS Chapter 630, hereby issues its formal Complaint, stating the Investigative Committee's charges and allegations, as follows:

1. Respondent was granted a license to practice medicine in the state of Nevada on December 2, 1989, and was so licensed by the Nevada State Board of Medical Examiners, pursuant to the provisions of Chapter 630 of the Nevada Revised Statutes up until July 1, 2007, when Respondent requested that his licensure status be changed to inactive status, which it currently remains.

2. Respondent was granted a license to practice medicine in the state of California on or about October 27, 1972. On March 1, 2007, the state of California filed a one-count Accusation against Respondent alleging gross negligence on the part of Respondent, in his care and treatment of multiple patients.

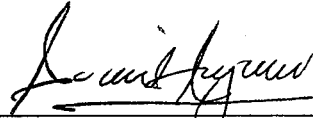

3. Thereafter, on August 30, 2007, the state of California entered an Order revoking Respondent's license to practice medicine, however, that revocation was stayed, and Respondent was placed on probation with various conditions for a period of five years beginning on August 30, 2007.
