in California and soon expects the reinstatement of his inactive Pennsylvania license, Respondent and the
Investigative Committee hereby agree to the following terms, covenants and conditions:

1. **Jurisdiction.** Respondent is, and at all times mentioned in the complaint filed in the
above-captioned matter was, a physician licensed to practice medicine in the State of Nevada subject to
the jurisdiction of the Board to hear and adjudicate charges of violations of the Medical Practice Act
(NRS 630), and to impose sanctions as provided by the Act.

2. **Representation by Counsel.** Respondent acknowledges that he is not represented by
counsel and wishes to proceed towards resolution in this matter as set forth in this Agreement without
counsel. Respondent understands and acknowledges that he may retain and consult counsel prior to
entering into this agreement and agrees that if counsel is retained for representation in this matter prior to
entering into this agreement, that counsel for the Investigative Committee will be informed of such prior to
Respondent executing this Agreement.

3. **Waiver of Rights.** Respondent covenants and agrees that he enters into this Agreement
knowingly, willingly, and intelligently with knowledge that he may consult with counsel prior to entering
into this Agreement. In connection with this Agreement, and the terms, covenants and conditions
contained herein, Respondent knowingly, willingly and intelligently, without the advice of counsel, waives
all rights arising under or pursuant to the United States Constitution, the Constitution of the State of
Nevada, NRS Chapter 630 and NRS Chapter 233B that may be available to him or that may apply to him
in connection with the proceeding on the complaint filed herein, the defense of said complaint and the
adjudication of the charges in said complaint, and Respondent further agrees that the matter of the
disciplinary action commenced by complaint herein may be settled and resolved in accordance with this
Agreement without a hearing or any further proceeding, and without the right to judicial review.

4. **Acknowledgement of Reasonable Basis to Proceed.** Respondent covenants and agrees
that the Board's Investigative Committee has a reasonable basis to believe that Respondent violated one or
more provisions of the Medical Practice Act.

5. **Consent to Entry of Order.** In order to resolve the matter of these disciplinary
proceedings pending against him without any further cost and expense of providing a defense to the
complaint, Respondent hereby agrees that an order may be entered herein by the Board against him,
finding that Respondent has violated the Medical Practice Act to wit: suspension, modification or limitation of his California and Pennsylvania licenses to practice medicine, NRS 630.301(3), and ordering that Respondent's Nevada license to practice medicine be suspended for 90 days, said suspension to be stayed on the condition that Respondent be placed on probation for a period of twelve (12) months or until such time as he has complied and completed all the following terms and conditions, if this occurs prior to the end of the twelve month probationary period:

a. that Respondent shall pay a fine of $1000, to be paid within 90 days of the Board's acceptance and approval of this Agreement.

b. that Respondent shall notify the Nevada State Board of Medical Examiners at least forty-eight (48) hours prior to initiating any practice of medicine within the state of Nevada.

c. that Respondent shall comply with all federal, state and local laws and rules governing the practice of medicine in Nevada at all times he is practicing within the state;

d. that Respondent shall contact the Compliance Officer of the Nevada State Board of Medical Examiners within 30 days of the approval and acceptance of this agreement in order to provide information regarding the most expeditious method of contacting him;

e. that Respondent shall provided certified copies of any changes in the suspension of his Pennsylvania license including any documentation showing reinstatement of said license;

f. that Respondent agrees that if he is charged with professional misconduct in the future, this Agreement, and/or any related Orders, and/or records of his compliance, may be admitted into evidence at a hearing regarding the alleged professional misconduct, at the sole discretion of the Investigative Committee.

g. that Respondent agrees to pay the costs of investigation and prosecution of this matter in the current amount of $370.26, along with the costs to conclude the matter, if any, within 60 days of the Board's acceptance and approval of this Agreement.

The terms of probation as set forth above take into consideration the fact that Respondent has successfully completed all terms of his California probation as of October 27, 2007. If Respondent does complete all terms of probation prior to the termination of the twelve month probation period, his probation will be deemed to have been completed.
6. **Procedure for Adoption of Agreement.** The Investigative Committee and counsel for the Investigative Committee shall recommend approval and adoption of the terms, covenants and conditions contained herein by the Board in resolution of the disciplinary proceedings pending herein against Respondent pursuant to the formal complaint. In the course of seeking Board approval, adoption and/or acceptance of this Agreement, counsel for the Investigative Committee may communicate directly with the Board staff and members of the panel of the Board who would adjudicate this case if it were to go to hearing. Respondent covenants and agrees that such contacts and communication may be made or conducted ex parte, without notice or opportunity to be heard on his part or on the part of his counsel, and that such contacts and communications may include, but not be limited to, matters concerning this Agreement, the complaint, the allegations in the complaint, any and all evidence that may exist in support of the complaint, and any and all information of every nature whatsoever related to the complaint against Respondent.

7. **Board Approval Required.** This Agreement will be placed on the next available Agenda of a regularly scheduled and duly noticed quarterly Board meeting. It is expressly understood that this Agreement will only become effective if the Board approves the recommendation of the Investigative Committee for acceptance.

8. **Effect of Acceptance of Agreement by Board.** In the event the Board approves, accepts and adopts the terms, covenants and conditions set out in this Agreement, counsel for the Investigative Committee will cause to be entered herein the Board’s Order finding Respondent violated NRS 630.301(3), which states that the suspension, modification or limitation of a license to practice medicine by another jurisdiction is grounds for discipline when his California and Pennsylvania licenses to practice medicine were suspended and/or modified.

9. **Effect of Rejection of Agreement by Board.** In the event the Board does not approve, accept and adopt the terms, covenants and conditions set out in this Agreement, this Agreement shall be null, void, and of no further force and effect except as to the following covenant and agreement regarding disqualification of adjudicating Board panel members. Respondent agrees that, notwithstanding rejection of this Agreement by the Board, nothing contained herein and nothing that occurs pursuant to efforts of the IC or its counsel to seek acceptance and adoption of this Agreement by
the Board shall disqualify any member of the adjudicating panel of the Board from considering the charges against Respondent and participating in the disciplinary proceedings in any role, including adjudication of the case, and Respondent further agrees that he shall not seek to disqualify any such member absent evidence of bad faith.

10. **Release From Liability.** In execution of this Agreement, the Respondent, for himself, his executors, successors and assigns, hereby releases and forever discharges the state of Nevada, the Board, the Nevada Attorney General, and each of their members, agents and employees in their representative capacities, and in their individual capacities absent evidence of bad faith, from any and all manner of actions, causes of action, suits, debts, judgments, executions, claims and demands whatsoever, known and unknown, in law or equity, that Respondent ever had, now has, may have or claim to have, against any or all of the persons or entities named in this paragraph arising out of or by reason of this investigation, this disciplinary action, this settlement or its administration, in connection with the complaint. The Investigative Committee hereby agrees to accept this Agreement in full settlement of all claims related to the complaint, with the understanding that the final decision rests with the Board.

11. **Binding Effect.** Respondent covenants and agrees that this Agreement is a binding and enforceable contract upon Respondent and the Board’s Investigative Committee, which contract may be enforced in a court or tribunal having jurisdiction.

12. **Forum Selection Clause.** Respondent covenants and agrees that in the event either party is required to seek enforcement of this Agreement in the district court, he consents to such jurisdiction, and covenants and agrees that exclusive jurisdiction shall be in the Second Judicial District Court of the State of Nevada in and for the County of Washoe.

13. **Attorneys Fees and Costs.** Respondent covenants and agrees that in the event an action is commenced in the district court to enforce any provision of this Agreement, the prevailing party shall be entitled to recover reasonable costs and attorneys’ fees.

14. **Failure to comply with terms.** In the event the Board enters its Order approving this Agreement, should Respondent fails to comply with the terms recited herein, the Board would then have
grounds, after notice and a hearing, to take disciplinary action against Respondent in addition to that included herein for the subject’s violation of an Order of the Board in accordance with NRS 630.3065(2)(a)
