3 Respondent held a license to practice medicine in the State of Nevada at all relevant  
4 times.

5 II.

6 A Motion for Order to Show Cause was filed by the Investigative Committee against  
7 Respondent in March of 2009 alleging that Respondent had failed to comply with a previously

10 A Complaint was previously filed against Respondent on August 14, 2007 containing  
11 one count of a violation of NRS 630.301(3) for the suspension of his Oklahoma license to  
12 practice medicine.

13 The matter was resolved by a Settlement, Waiver and Consent Agreement which was  
14 signed by Respondent and was adopted by the adjudicating members of the Board on  
15 November 30, 2007. In the settlement agreement, Respondent admitted to the one violation  
16 as set forth in the Complaint and the Board imposed a 120 day suspension of Respondent's  
17 license to practice medicine in the state of Nevada, however the suspension was stayed and  
18 Respondent was placed on probation for a period of twenty four months with numerous  
19 conditions.

20 IV.

21 The conditions contained in the Settlement, Waiver and Consent Agreement included  
22 sub-section (a):

27 Consent Agreement in that he has failed to comply with all the terms and conditions set forth  
28 by the Oklahoma State Board of Medical Licensure and Supervision, specifically when the

1 Oklahoma State Board filed a disciplinary complaint against him in September of 2008 for  
2 failing to comply with a term of their probation.

3 VI.

4 The Board finds that the Respondent failed to comply with the Settlement, Waiver and  
5 Consent Agreement when he failed to comply with all the terms and conditions set forth by the  
6 Oklahoma State Board of Medical Licensure and Supervision.

7 VII.

8 If any of the foregoing Findings of Fact is more properly deemed a Conclusion of Law,  
9 it may be so construed.
