///

///
WHEREAS, Respondent has received a copy of the Second Amended Complaint\(^1\), reviewed it, understands it, and has consulted with competent counsel concerning the nature and significance of the Second Amended Complaint, and Respondent is fully advised concerning his rights and defenses to the Second Amended Complaint, including the amendments stated in NRS 630.364, as well as the possible sanctions that may be imposed if the Board finds and concludes that he has violated one or more provisions of the Medical Practice Act, and

WHEREAS, Respondent understands and agrees that this Agreement is entered into by and between himself and the Board’s IC, and not with the Board, but that the IC will present this Agreement to the Board for consideration in open session at a meeting duly noticed and scheduled, and that the IC shall advocate approval of this Agreement by the Board, but that the Board has the right to decide in its own discretion whether or not to approve this Agreement, and

WHEREAS, Respondent understands and agrees that if the Board approves the terms, covenants and conditions of this Agreement, then the terms, covenants and conditions enumerated below shall be binding and enforceable upon him, and

WHEREAS, Respondent understands and agrees that if the Board does not approve the terms, covenants and conditions of this Agreement, then the terms, covenants and conditions enumerated below shall not be binding and enforceable upon him except the provisions as to disqualification of adjudicating panel members in paragraph number 8, and he will be provided with an opportunity to defend himself against the charges against him as alleged in the Second Amended Complaint at a regularly scheduled hearing in accordance with all applicable laws,

NOW THEREFORE, in order to resolve Case No. 10-7510-1 and charges alleged by the Board’s IC in the above-captioned matter, Respondent and the IC hereby agree to the following terms, covenants and conditions.

1. **Jurisdiction.** Respondent is, and at all times mentioned in the Second Amended Complaint filed in the above-captioned matter was, a physician licensed to practice medicine in the State of Nevada subject to the jurisdiction of the Board to hear and adjudicate charges of violations of the Medical Practice Act (NRS 630), and to impose sanctions as provided by the Act.

---

\(^1\) While a Complaint and Second Amended Complaint were filed and served, the latter is the controlling document and, as such, only it will be referenced.
2. **Representation by Counsel.** Respondent is represented by John A. Hunt, Esq., whom Respondent covenants and agrees is fully capable, competent, and fully advised in these circumstances, and Respondent further covenants and agrees that he enters into this Agreement knowingly, willingly, and intelligently after full consultation with counsel.

3. **Waiver of Rights.** In connection with this Agreement, and the terms, covenants and conditions contained herein, and the understanding that Respondent shall not file a Writ of Mandamus requesting relief pursuant to NRS 630.364, alleging arbitrary and capricious actions by the Board, Respondent knowingly, willingly and intelligently, with the advice of his counsel, waives all rights arising under or pursuant to the United States Constitution, the Constitution of the state of Nevada, NRS Chapter 630, NRS Chapter 233B, and any other statutory rights that may be available to him or that may apply to him in connection with the proceeding on the Second Amended Complaint filed herein, the defense of said Second Amended Complaint and the adjudication of the charges in said Second Amended Complaint, and Respondent further agrees that the matter of the Second Amended Complaint herein may be settled and resolved in accordance with this Agreement without a hearing or any further proceeding, and without the right to judicial review. In the event this Agreement is not approved by the Board, this Agreement shall have no force and effect and shall be void ab initio, and Respondent shall have all rights arising under or pursuant to the United States Constitution, the Constitution of the state of Nevada, NRS Chapter 630, NRS Chapter 233B, and any other statutory rights that may be available to him or that may apply to him in connection with the proceeding on the Second Amended Complaint filed herein.

4. **Consent to Entry of Order.** Although Respondent believes that the amendments of NRS 630.364 may preclude the Board from proceeding, Respondent is aware that the trier of fact, the Board, may find a factual basis in support of the Second Amended Complaint against Respondent. Accordingly, in order to resolve the matter without incurring further costs and expense of providing a defense to the Second Amended Complaint or to any other further amended complaint, and in exchange for the waiver of the Respondent’s foregoing rights, Respondent has entered into this Agreement, and agrees:
a. The Board may find that Respondent has engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act, to wit: Respondent pleading guilty to and being convicted of Misprison of Felony, a violation of 18 U.S.C. § 4, was a violation of NRS 630.301(9);

b. Pursuant to NRS 630.352(4)(d), Respondent agrees upon adoption of this Agreement, to accept a stayed suspension of his license to practice medicine in the state of Nevada for a period of six (6) months. If, during the term of Respondent’s six (6) months’ stayed suspension, the IC receives substantial evidence that Respondent has materially breached the terms and conditions of this Agreement, Respondent agrees the IC, without any further hearing or action by the Board, shall issue an order suspending Respondent’s license to practice medicine in the state of Nevada. Thereafter, Respondent may request a hearing before the Board to reinstate his license, which must be heard within forty-five (45) days of the Order of Suspension. However, during the pendency of the hearing before the Board, Respondent waives any right to seek judicial review (state or federal) to reinstate his privilege to practice medicine in the state of Nevada pending a final Board hearing;

c. Pursuant to NRS 630.352(4)(b), Respondent agrees the Board shall administer a formal written public reprimand which will include language which is synonymous with the terms of this Agreement;

d. Currently Respondent is serving five (5) years of probation pursuant to an Order issued by the United States District Court, Case No. 2:07-cr-000039-JLQ-LRL. Pursuant to NRS 630.352(4)(a), Respondent agrees he shall submit to the Board any and all documentation regarding the terms of his probation entered in the United States District Court, Case No. 2:07-cr-000039-JLQ-LRL.

e. Pursuant to NRS 630.352(4)(a), Respondent agrees to being placed on probation with the Nevada State Board of Medical Examiners pursuant to the terms and conditions issued by the United States District Court. Within thirty (30) days of the adoption of this Agreement, Respondent shall provide a copy of this Agreement to his office of Federal Parole and Probation. Respondent shall also execute any documents necessary authorizing the office of
Federal Parole and Probation to release any and all reports generated regarding Respondent’s compliance with the terms and conditions of Respondent’s federal probation. Once respondent is given written notice of his completion of his probation, Respondent shall submit the written notice to the Investigative Committee. Upon receipt of the written notice of completion the IC shall, without any further action of the Board, authorize an Order reinstating Respondent’s license to the status of good standing without restriction. If, during the term of Respondent’s probation, the IC receives substantial evidence that Respondent has materially breached the terms and conditions of his probation, Respondent agrees the IC, without any further hearing or action by the Board, shall issue an order suspending Respondent’s license to practice medicine in the state of Nevada. Thereafter, Respondent may request a hearing before the Board to reinstate his license which must be heard within forty-five (45) days of the Order of Suspension. However, during the pendency of the hearing before the Board, Respondent waives any right to seek judicial review (state or federal) to reinstate his privilege to practice medicine in the state of Nevada pending a final Board hearing;

f. Respondent agrees he shall make a donation of $5,000.00 to a charity to be mutually agreed to by the parties;

g. Prior to execution of this Agreement, the Board has confirmed that Respondent attended and completed a twenty-four-(24)-hour ethics course entitled “The PBI Professional Boundaries Course”. However, Respondent agrees attendance and completion of the twenty-four (24)-hour ethics course entitled “The PBI Professional Boundaries Course” may not be used by Respondent to fulfill the normal continuing education requirements regarding ethics.

h. Pursuant to NRS 630.352(4)(i) Respondent shall perform five hundred (500) hours of community service without compensation pursuant to the terms and conditions set forth in the attached community service proposal.

i. Pursuant to NRS 622.400, Respondent shall pay the sum of $7,973.14, the current amount of the costs incurred by the Board to investigate and prosecute this matter, plus any additional costs incurred by the Board precedent to the acceptance, adoption and approval of this Agreement. Respondent further agrees that these costs to be paid the Board within sixty (60) days of the entry of the Board’s order adopting this Agreement.
j. Respondent and Board agree that this Agreement does not involve facts or circumstances relating to the delivery of health care to Respondent's former patient, Melodie Simon.

k. The terms of this Agreement may be reported as allowed by law.

5. **Release From Liability.** In execution of this Agreement, the Respondent, for himself, his executors, successors and assigns, hereby releases and forever discharges the state of Nevada, the Board, the Nevada Attorney General, and each of their members, agents and employees in their representative capacities, and in their individual capacities, from any and all manner of actions, causes of action, suites, debts, judgments, executions, claims and demands whatsoever, known and unknown, in law or equity, that Respondent ever had, now has, may have or claim to have, against any or all of the persons or entities named in this paragraph arising out of or by reason of this investigation, this settlement or its administration.

6. **Procedure of Adoption of Agreement.** The IC and counsel for the IC shall recommend approval and adoption of the terms, covenants and conditions contained herein by the Board in resolution of the Second Amended Complaint pending herein against Respondent. In the course of seeking Board approval, adoption and/or acceptance of this Agreement, counsel for the IC may communicate directly with the Board staff and members of the panel of the Board who would adjudicate this case if it were to go to hearing. Respondent acknowledges that such contacts and communication may be made or conducted ex parte, without notice or opportunity to be heard on his part or on the part of his counsel until the public Board meeting where this Agreement is discussed, and that such contacts and communications may include, but not be limited to, matters concerning this Agreement, the Second Amended Complaint, and any and all information of every mature whatsoever related to the Second Amended Complaint or the proceedings herein against Respondent. The IC and its counsel agree that Respondent and/or his counsel may appear at the Board meeting where this Agreement is discussed, and if requested, to respond to any questions that may be addressed to the IC or its counsel.

7. **Effect of Acceptance of Agreement by Board.** In the event the Board approves, accepts and adopts the terms, covenants and conditions set out in this Agreement, counsel for the
IC will cause to be entered herein the Board’s Order accepting, adopting and approving this
Settlement, Waiver and Consent Agreement, ordering full compliance with the terms herein and
ordering that this case be closed, subject to the provisions of Section 5.

8. **Effect of Rejection of Agreement by Board.** In the event the Board does not
approve, accept and adopt the terms covenants and conditions set out in this Agreement, this
Agreement shall be null, void, and of no further force and effect except as to the following
covenant and agreement regarding disqualification of adjudicating Board panel members.
Respondent agrees that, notwithstanding rejection of this Agreement by the Board, nothing
contained herein and nothing that occurs pursuant to efforts of the IC or its counsel to seek
acceptance and adoption of this Agreement by the Board shall disqualify any member of the
adjudicating panel of the Board from considering the charges against Respondent and participating
in the disciplinary proceeding in any role, including adjudication of the case, and Respondent
further agrees that he shall not seek to disqualify any such member absent evidence of bad faith.

9. **Binding Effect.** Providing this Agreement is approved by the Board, Respondent
