1
The Board, after due consideration of the record, evidence and law, and being fully advised in the premises, makes its FINDINGS OF FACT, CONCLUSIONS OF LAW AND ORDER in this matter as follows:

**FINDINGS OF FACT**

**I.**

Respondent held a license to practice as a physician in the state of Nevada at all relevant times.

**II.**

On October 28, 2010, the Investigative Committee filed the Complaint in this matter alleging violations of Chapter 630 of the Nevada Revised Statutes.

**III.**

On May 11, 2011, a hearing was held before an appointed hearing officer on the allegations contained within the Complaint; five counts. Count V was dismissed at end of the hearing pursuant to the evidence adduced at the hearing. Respondent was present and represented by counsel, Patric Hooper, Esq. and John Curtas, Esq. The Investigative Committee was represented by Bradley O. Van Ry, Esq.

**IV.**

Respondent was involved in a Medicare billing fraud case. That case went on for four (4) years as Respondent’s billing, patient treatment and diagnostic records were examined by the Department of Health and Human Services and the Office of the Inspector General for fraud.

Respondent entered into a settlement of the matter with the Department of Health and Human Services and the Office of the Inspector General in March 2009. As part of the settlement, Respondent also entered into an Integrity Agreement with the same federal entities, which includes oversight and supervision over Respondent until March 2014.

**V.**

The Board finds by reliable, probative and substantial evidence that Respondent violated Nevada Revised Statute 630.301(9), as alleged in Count II, when he engaged in
conduct that brought the medical profession into disrepute by failing to disclose the
examination by the Department of Health and Human Services and the Office of the Inspector
General to the Board on three (3) successive license renewal applications in 2005, 2007 and
2009, and by being under examination for fraud arising from the Medicare billing and records
of Respondent's practice for over four (4) years.

VI.

The Board finds by reliable, probative and substantial evidence that Respondent
violated Nevada Revised Statute 630.3062(1), as alleged in Count III, by failing to maintain
timely, legible, accurate and complete medical records when his medical records and billing
inaccuracies led to the Medicare fraud allegations and ultimate settlement agreement and
Integrity Agreement with the Department of Health and Human Services and the Office of the
Inspector General.

VII.

If any of the forgoing Findings of Fact is more properly deemed a Conclusion of Law, it
may be so construed.

CONCLUSIONS OF LAW

I.

The Board has jurisdiction over Respondent.

II.

Respondent was properly served with notice of the hearing via certified mail at the
address on file with the Board pursuant to NRS Chapters 630 and NRS Chapter 233B.

III.

The Board concludes that Respondent has violated NRS 630.301(9) as described
above and as alleged in Count II of the Complaint and, that accordingly; he is subject to
discipline pursuant to NRS 630.352.

///
IV.

The Board concludes that Respondent has violated NRS 630.3062(1) as described above and as alleged in Count III of the Complaint and, that accordingly, he is subject to discipline pursuant to NRS 630.352.

V.

If any of the foregoing Conclusions of Law is more properly deemed a Finding of Fact, it may be so construed.

ORDER

Based upon the foregoing Findings of Fact and Conclusions of Law, and good cause appearing therefore,

IT IS HEREBY ORDERED that:

1. Respondent shall be issued a public reprimand;
