Clark, BSN, RHU, LUTCF, and Theodore B. Berndt, M.D., by and through Edward Cousineau, Deputy Executive Director for the Board and counsel for the IC, and Ronald H. Foote, M.D. (Respondent), by and through his counsel, L. Kristopher Rath, Esq., as follows:

WHEREAS, on or about March 31, 2006, the Board entered a Findings of Fact, Conclusions of Law and Order, wherein it found Respondent in violation of Nevada Revised Statute (NRS) 630.301(9), and one of the resultant terms of the Order was that Respondent was to continue, remain compliant, and complete his participation in the Board recognized diversion program he was enrolled in at the time of the entry of the Findings of Fact, Conclusions of Law and Order, and that the obligations thereto were to be effective until June 16, 2010; and

WHEREAS, on or about August 7, 2009, the Board adopted the terms of stipulated Settlement Agreement which found Respondent in violation of NRS 630.304(1), and one of the stipulated terms called for Respondent’s medical license to be suspended for one year, with that suspension stayed, and with probationary terms which included that Respondent shall obey all laws and regulations during the stayed suspension; and
WHEREAS, on or about March 27, 2010, Respondent engaged in conduct which is deemed to have violated the agreed terms of the previously mentioned Order and Settlement Agreement.

WHEREAS, Respondent, based on his understanding of the relevant facts and circumstances, and subject to the conditions set forth in this Agreement, desires to waive all of his rights under the United States Constitution, the Constitution of the State of Nevada, the Medical Practice Act and the Nevada Administrative Procedures Act, including but not limited to the right to a hearing on the charges and written findings of fact, conclusions of law and order, and he desires to settle and resolve the matter of the formal complaint against him by way of and in accordance with this Settlement, Waiver and Consent Agreement; and

WHEREAS, Respondent understands and agrees that this Agreement is entered into by and between himself and the Board’s IC, and not with the Board, but that the IC will present this Agreement to the Board for consideration in open session at a regular meeting duly noticed and scheduled, and that the IC will advocate approval of this Agreement by the Board, but that the Board has the right to decide in its own discretion whether or not to approve this Agreement; and

WHEREAS, Respondent understands and agrees that if the Board approves the terms, covenants and conditions of this Agreement, then the terms, covenants and conditions enumerated below shall be binding and enforceable upon him; and

WHEREAS, Respondent understands and agrees that, if the Board does not approve the terms, covenants and conditions of this Agreement, then the terms, covenants and conditions enumerated below shall not be binding and enforceable upon him except the provisions as to
disqualification of adjudicating panel members in paragraph number 9, and he will be provided
with an opportunity to defend himself against the charges against him at a regularly scheduled
hearing in accordance with all applicable laws.

NOW THEREFORE, in order to resolve the pending complaint and charges brought
against him by the Board’s IC in the above-captioned matter, Respondent and the IC hereby agree to
the following terms, covenants and conditions:

1. **Jurisdiction.** Respondent is, and at all times mentioned in the complaint filed in the
above-captioned matter was, a physician licensed to practice medicine in the State of Nevada,

2. **Representation by Counsel.** Respondent is represented by counsel herein, whom

conditions contained herein, Respondent knowingly, willingly and intelligently, with the advice of
above-identified counsel, waives all rights arising under or pursuant to the United States
Constitution, the Constitution of the State of Nevada, NRS Chapter 630 and NRS Chapter 233B that
may be available to him or that may apply to him in connection with the proceeding on the
complaint filed herein, the defense of said complaint, the adjudication of the charges in said
complaint and the imposition of sanctions, and Respondent further agrees that the matter of the
disciplinary action commenced by complaint herein may be settled and resolved in accordance with
this Agreement without a hearing or any further proceeding and without the right to judicial review.

4. **Acknowledgement of Reasonable Basis to Proceed.** Respondent covenants and
agrees that the Board’s IC had a reasonable basis to believe that Respondent engaged in one or more
instances of conduct that is grounds for discipline pursuant to the provisions of the Medical Practice
Act. All admissions made by Respondent are solely for final disposition of this matter and any
subsequent related administrative proceedings or civil litigation involving the Board and
Respondent. Therefore, said admissions by Respondent are not intended or made for any other use, such as in the context of another state or federal government regulatory agency proceeding, state or federal civil or criminal court proceeding, or any other state or federal court. Should the Board not approve this agreement, Respondent reserves the right to fully defend against the allegations in the complaint at a formal hearing. Respondent fully reserves his rights to defend against the allegations in the complaint, should they be raised in any subsequent civil suit to which the Board is not a party.

5. **Consent to Entry of Order.** In order to resolve the matter of these disciplinary proceedings pending against him without any further costs and expense of providing a defense to the complaint, Respondent hereby agrees, and does not contest, for the sole purpose of this settlement agreement, that an order may be entered herein by the Board against him finding that Respondent failed to comply with an order of the Board in two instances, and that both instances were in violation of NRS 630.3065(2)(a),

For the aforementioned violations, Respondent shall:

1. Receive a public reprimand;
2. Pay a fine in the amount of $2,000.00;
3. Allow his license to be revoked, with that revocation stayed and that Respondent shall be placed on probation with an obligation to comply with the following terms and conditions:

   a. That Respondent agrees to continue, remain compliant, and complete his participation in the Board recognized diversion program he is currently enrolled in until he is cleared to exit such program by the NPHP or its successor entity.

   b. That Respondent will be responsible for any costs involved in on-going compliance oversight by the Board and shall reimburse the Board within thirty (30) days of a request for reimbursement of the same.

   4. Pay the costs and expenses incurred in the investigation and prosecution of this case, the current amount being $1,328.73. This amount does not include any further costs that may be incurred by the Board to conclude adjudication of the matter. Respondent agrees to pay the
aforementioned fine and costs, within one-hundred and twenty (120) days of the approval and adoption of this Agreement.

(5) On successful completion of the foregoing requirements, Dr. Foote shall be removed from probation, his license restored to good standing, and his revocation shall be rescinded. The Board shall issue an order to this effect when the circumstances warrant.

6. **Release From Liability.** In execution of this Agreement, the Respondent, for himself, his executors, successors and assigns, hereby releases and forever discharges the state of Nevada, the Board, the Nevada Attorney General, and each of their members, agents and employees in their individual and representative capacities, from any and all manner of actions, causes of action, suits, debts, judgments, executions, claims and demands whatsoever, known and unknown, in law or equity, that Respondent ever had, now has, may have or claim to have, against any or all of the persons or entities named in this paragraph arising out of or by reason of this investigation, this disciplinary action, this settlement or its administration.

7. **Procedure for Adoption of Agreement.** The IC and counsel for the IC shall recommend approval and adoption of the terms, covenants and conditions contained herein by the Board in resolution of the disciplinary proceedings pending herein against Respondent pursuant to the formal complaint. In the course of seeking Board approval, adoption and/or acceptance of this Agreement, counsel for the IC may communicate directly with the Board staff and members of the panel of the Board that would adjudicate this case if it were to go to hearing. Respondent covenants and agrees that such contacts and communication may be made or conducted ex parte, without notice or opportunity to be heard on his part or on the part of his counsel, and that such contacts and communications may include, but not be limited to, matters concerning this Agreement, the complaint, the allegations in the complaint any and all evidence that may exist in support of the complaint, and any and all information of every nature whatsoever related to the complaint or the proceedings herein against Respondent.

8. **Effect of Acceptance of Agreement by Board.** In the event the Board approves, accepts and adopts the terms, covenants and conditions set out in this Agreement, the Board will enter herein an order consistent with the terms noted in paragraph 5 above.
9. **Effect of Rejection of Agreement by Board.** In the event the Board does not approve, accept and adopt the terms, covenants and conditions set out in this Agreement, this Agreement shall be null, void and of no further force and effect except as to the following covenant and agreement regarding disqualification of adjudicating Board panel members. Respondent agrees that, notwithstanding rejection of this Agreement by the Board, nothing contained herein and nothing that occurs pursuant to efforts of the IC or its counsel to seek acceptance and adoption of this Agreement by the Board shall disqualify any member of the adjudicating panel of the Board from considering the charges against Respondent and participating in the disciplinary proceedings in any role, and Respondent further agrees that he shall not seek to disqualify any such member.

10. **Binding Effect.** Respondent covenants and agrees that this Agreement is a binding and enforceable contract upon Respondent and the Board’s IC, which contract may be enforced in a court or tribunal having jurisdiction. Additionally, upon receipt of credible information that Respondent has failed to comply with any term or condition of the aforementioned order, the Board shall be authorized to immediately suspend Respondent’s license to practice medicine. The Board acknowledges and Respondent recognizes that he would still maintain all statutory and regulatory due process rights available to him after the suspension except that the suspension shall not be considered to be a summary suspension subject to the provisions of either NRS 233B.170 or 630.326. Further, failure to comply with the terms recited herein could result in additional disciplinary action being initiated against Respondent for a violation of an Order of the Board in accordance with NRS 630.3065(2)(a). And, any failure to pay any fine, fee, or cost ordered herein may also result in such legal action as determined to be necessary to collect the unpaid fine, fee, or cost.

11. **Forum Selection Clause.** Respondent covenants and agrees that in the event either party is required to seek enforcement of this Agreement in the district court, he consents to such jurisdiction, and covenants and agrees that exclusive jurisdiction shall be in the Second Judicial District Court of the State of Nevada in and for the County of Washoe.
12. **Attorneys Fees and Costs.** Respondent covenants and agrees that in the event an action is commenced in the district court to enforce any provision of this Agreement the prevailing party shall be entitled to recover reasonable costs and attorneys' fees.
