NEVADA STATE BOARD OF
MEDICAL EXAMINERS

In the Matter of an Investigation of

DAVID LYNN PACKER, M.D.,

License No. 13014

ORDER OF SUMMARY SUSPENSION

Prior to the preparation of this Order of Summary Suspension, Nevada State Board of
Medical Examiners' (Board) staff presented evidence and information to an Investigative
Committee (IC) of the Board, composed of Theodore B. Berndt, M.D., Chairman,
Valerie J. Clark, BSN, RHU, LUTCF, Member, and Michael J. Fischer, M.D., Member, regarding
David Lynn Packer, M.D. (Dr. Packer). Upon review of the evidence and information presented
by Board staff, the IC hereby IMMEDIATELY SUSPENDS Dr. Packer's license to practice
medicine in the state of Nevada pursuant to Nevada Revised Statutes (NRS) 630.326(1), based
upon the following preliminary findings:

1. Dr. Packer is a physician licensed to practice medicine in the state of Nevada and
was originally licensed on January 28, 2009. Dr. Packer practices medicine in the Las Vegas area
and his specialties listed with the Board are Plastic Surgery, Family Practice and Urgent Care.

2. The IC is in receipt of multiple complaints concerning Dr. Packer's medical care
and treatment of multiple Nevada patients. Preliminary investigation has confirmed Dr. Packer's
improper communication(s) and relationship(s) with a Nevada patient or patients, serious
derelictions in the discharging of Nevada patients and serious concerns about the medical care and
treatment, or lack thereof, provided to Nevada patients.

///
3. Further investigation by the IC uncovered two (2) pending Florida Board of Medicine complaints against Dr. Packer, as well as a pending criminal case in the state of Florida against Dr. Packer for two (2) felonies and one (1) misdemeanor.

As a result of the foregoing, the IC reasonably determines and believes that due to Dr. Packer’s improper communication(s) and relationship(s) with a Nevada patient or patients, serious derelictions in the discharging of Nevada patients, serious concerns about the medical care and treatment, or lack thereof, provided to Nevada patients, two (2) pending Florida Board of Medicine complaints against Dr. Packer and a pending criminal case in the state of Florida against Dr. Packer for two (2) felonies and one (1) misdemeanor, the health, safety and welfare of the public is at imminent risk of harm and that summary suspension of Dr. Packer’s license to practice medicine is necessary to remove said risk of imminent harm to the health, safety and welfare of the public.

Accordingly, pursuant to NRS 630.326(1):

**IT IS HEREBY ORDERED** that the license to practice medicine in the state of Nevada of David Lynn Packer, M.D. (License No. 13014) is **HEREBY SUSPENDED** until further order of the Investigative Committee or Board; and,

**IT IS FURTHER ORDERED** that a hearing be set within forty-five (45) days of this Order, pursuant to NRS 630.326(2), to determine whether this suspension may continue, unless the parties mutually agree to a different or divergent time frame.

DATED this ___ day of March, 2013.
