legible, accurate and complete medical records relating to the diagnosis, treatment and care of a
patient, a violation of NRS 630.3062(1);

WHEREAS, on January 30, 3012, the Board’s IC filed a Complaint against Respondent in
Case No. 12-28540-1, charging Respondent with engaging in conduct that constitutes multiple
violations that are grounds for discipline pursuant to the MPA;

WHEREAS, the Board currently has multiple open investigations pending against
Respondent;

WHEREAS, Respondent has received a copy of the instant formal Complaint, reviewed it,
understands it, and has had ample opportunity to consult with her counsel concerning the nature
and significance of the formal Complaint in this matter. Respondent has done likewise with the
formal Complaint in case number 12-28540-1, and has had ample opportunity to consult with her
counsel concerning the nature and significance of all open investigative complaints against her as
described below. Respondent is fully aware concerning her rights and defenses to the open formal
Complaints and the open investigative complaints, as well as the possible sanctions that may be
imposed if the Board finds and concludes that she has engaged in conduct that is grounds for
discipline pursuant to the MPA;

WHEREAS, Respondent understands and agrees that this Settlement Agreement
(Agreement) is entered into by and between herself and the Board’s IC, and not with the Board,
but that the IC will present this Agreement to the Board for consideration in open session at a
meeting duly noticed and scheduled. Respondent understands that the IC shall advocate approval
of this Agreement by the Board, but that the Board has the right to decide in its own discretion
whether or not to approve this Agreement; and,

WHEREAS, Respondent understands and agrees that if the Board approves the terms,
covenants and conditions of this Agreement, then the terms, covenants and conditions enumerated
below shall be binding and enforceable upon her.

///
NOW THEREFORE, in order to resolve this matter and all charges alleged by the Board's IC in the above-captioned matter, Respondent and the IC hereby agree to the following terms, covenants and conditions:

1. **Jurisdiction.** Respondent is, and at all times mentioned in the formal Complaint filed in the above-captioned matter was, a physician assistant licensed to practice medicine in the state of Nevada subject to the jurisdiction of the Board to hear and adjudicate charges of violations of the MPA, and to impose sanctions as provided by the MPA.

2. **Representation by Counsel/Knowing, Willing and Intelligent Agreement.**
   
   Respondent is represented by legal counsel in this matter and has had ample opportunity to review this Agreement, the formal Complaints filed against her, the open investigative complaints against her and the related factual bases of all the foregoing with said legal counsel, Jacob L. ///

Accordingly, in order to resolve the matter without incurring further costs and expense of providing a defense to the formal Complaint or to any other further amended Complaint, or to the formal Complaint in Case No. 12-28540-1, and to any open investigative complaints as described below, and in exchange for the waiver of the Respondent’s foregoing rights, Respondent has entered into this Agreement¹, and agrees that:
