NEVADA STATE BOARD OF
MEDICAL EXAMINERS

By: _____

FIRST AMENDED COMPLAINT

The Investigative Committee (IC) of the Nevada State Board of Medical Examiners (Board), composed at the time of filing of Theodore B. Berndt, M.D., Valerie J. Clark, BSN, RHU, LUTCF, and Michael J. Fischer, M.D., by and through Bradley O. Van Ry, Board General Counsel and attorney for the IC, having a reasonable basis to believe that Kenneth Westfield, M.D. (Respondent), has violated the provisions of Nevada Revised Statutes (NRS) Chapter 630 and Nevada Administrative Code (NAC) Chapter 630, collectively the Medical Practice Act (MPA), hereby issues its formal Complaint, stating the IC's charges and allegations, as follows:

1. Respondent has been licensed in active status since January 1, 1980 (License No. 3953), pursuant to the provisions of the MPA.
2. Respondent was also licensed in the state of California at the time of the incidents complained of in this matter.
3. Respondent was also licensed in the state of Arizona at the time of the incidents complained of in this matter.
4. On or about June 11, 2013, the Medical Board of California entered into a Stipulated Surrender of License with Respondent which was a direct result of reciprocal discipline arising from a previous Board settlement with Respondent. This reciprocal discipline did not

1 include any new allegations of malpractice or other acts for which discipline may be imposed.
2 The surrender of license was effective on or about June 18, 2013. At no time did Respondent
3 disclose this surrender of license to the Board.

4 5. Previously, on or about June 7, 2012, the Arizona Medical Board issued an Order
5 for Letter of Reprimand and Consent based upon a previous Board settlement with Respondent.
6 This reciprocal discipline did not include any new allegations of malpractice or other acts for
7 which discipline may be imposed. At no time did Respondent disclose the Arizona Medical
8 Board's Order for Letter of Reprimand and Consent to the Board.

9 6. On or about May 10, 2013, Respondent renewed his license to practice medicine in
10 the state of Nevada without informing the Board of either the pending Medical Board of California
11 action or the Arizona Order for Letter of Reprimand and Consent to the same.

12 **Count I**

13 7. All of the above allegations in the above paragraphs are hereby incorporated as if
14 fully set forth herein.

15 8. NRS 630.301(3) provides that any disciplinary action, including, without
16 limitation, the revocation, suspension, modification or limitation of a license to practice any type
17 of medicine, taken by another state is grounds for initiating disciplinary action against a licensee.

18 9. The disciplinary actions against Respondent, including, but not limited to, the
19 Medical Board of California's Stipulated Surrender of License and/or the Arizona Medical
20 Board's Order for Letter of Reprimand and Consent constitutes disciplinary action taken by
21 another state that is grounds for initiating discipline against Respondent as a violation of the
22 provisions of NRS 630.301(3).

23 10. By reason of the foregoing, Respondent is subject to discipline by the
24 Board as provided in NRS 630.352.

25 **Count II**

26 11. All of the above allegations in the above paragraphs are hereby incorporated as if
27 fully set forth herein.

3. That the Board determine what sanctions it agrees upon to impose if it finds and concludes that there has been a violation or violations of the MPA committed by Respondent;

4. That the Board make, issue and serve on Respondent its findings of fact, conclusions of law and order, in writing, that includes the sanctions imposed; and,
