By:

SETTLEMENT AGREEMENT

The Investigative Committee (IC) of the Nevada State Board of Medical Examiners
(Board), by and through Donald K. White, Esq., Deputy General Counsel for the Board and
attorney for the IC, and Jonathan B. Baktari, M.D. (Respondent), a licensed physician in Nevada,
by and through his counsel, Adam A. Schneider, Esq., hereby enter into this Settlement
Agreement (Agreement) based on the following:

A. Background

1. Respondent is a medical doctor currently licensed in active status by the Board
pursuant to Chapter 630 of the Nevada Revised Statutes (NRS) and Chapter 630 of the Nevada
Administrative Code (NAC) (collectively, the Medical Practice Act), to practice medicine in Nevada
since February 21, 1997 (License No. 8103).

2. On August 7, 2018, in Case No. 18-11602-1, the IC filed a formal Complaint
(Complaint) charging Respondent with violating the Medical Practice Act. Specifically, this
Complaint alleges one (1) violation of NRS 630.306(1)(r), failure to to adequately supervise (Count
I), and one (1) violation of NRS 630.305(1)(e), aiding practice by an unlicensed person (Count II).

1 All agreements and admissions made by Respondent are solely for final disposition of this matter
and any subsequent related administrative proceedings or civil litigation involving the Board and
Respondent. Therefore, Respondent’s agreements and admissions are not intended or made for
any other use, such as in the context of another state or federal government regulatory agency
proceeding, state or federal civil or criminal proceeding, any state or federal court proceeding, or
any credentialing or privileges matter.
3. By reason of the foregoing, Respondent is subject to discipline by the Board as provided in NRS 630.352.

4. Respondent was properly served with a copy of the Complaint, has reviewed and understands the Complaint, and has had the opportunity to consult with competent counsel concerning the nature and significance of the Complaint.

5. Respondent is hereby advised of his rights regarding this administrative matter, and of his opportunity to defend against the allegations in the Complaint. Specifically, Respondent has certain rights in this administrative matter as set out by the United States Constitution, the Nevada Constitution, the Medical Practice Act, the Nevada Open Meeting Law (OML), which is contained in NRS Chapter 241, and the Nevada Administrative Procedure Act (APA) applicable to certain regulatory bodies, which is contained in NRS Chapters 233B and 622A. These rights include the right to a formal hearing on the allegations in the Complaint, the right to representation by counsel, at his own expense, in the preparation and presentation of his defense, the right to confront and cross-examine the witnesses and evidence against him, the right to written findings of fact, conclusions of law and order reflecting the final decision of the Board, and the right to judicial review of the Board’s order, if the decision is adverse to him.

6. Respondent understands that, under the Board’s charge to protect the public by regulating the practice of medicine, the Board may take disciplinary action against Respondent’s license, including license probation, license suspension, license revocation and imposition of administrative fines, as well as any other reasonable requirement or limitation, if the Board concludes that Respondent violated one or more provisions of the Medical Practice Act.

7. Respondent understands and agrees that this Agreement, by and between Respondent and the IC, is not with the Board, and that the IC will present this Agreement to the Board for consideration in open session at a duly noticed and scheduled meeting. Respondent understands that the IC shall advocate for the Board’s approval of this Agreement, but that the Board has the right to decide in its own discretion whether or not to approve this Agreement. Respondent further understands and agrees that if the Board approves this Agreement, then the terms and conditions enumerated below shall be binding and enforceable upon him and the Board.
B. Terms & Conditions

NOW, THEREFORE, in order to resolve the matters addressed herein, i.e., the
matters with regard to the Complaint, Respondent and the IC hereby agree to the following terms
and conditions:

1. Jurisdiction. Respondent is, and at all times relevant to the Complaint has been, a
physician licensed to practice medicine in Nevada subject to the jurisdiction of the Board as set
forth in the Medical Practice Act.

2. Representation by Counsel/Knowing, Willing and Intelligent Agreement.
Respondent acknowledges he is represented by counsel, and wishes to resolve the matters
addressed herein with counsel. Respondent agrees that if representation by counsel in this matter
materially changes prior to entering into this Agreement and for the duration of this Agreement,
that counsel for the IC will be timely notified of the material change. Respondent agrees that he
knowingly, willingly and intelligently enters into this Agreement after full consultation with and
the assistance of legal counsel.

3. Waiver of Rights. In connection with this Agreement, and the associated terms
and conditions, Respondent knowingly, willingly and intelligently waives all rights in connection
with this administrative matter. Respondent hereby knowingly, willingly and intelligently waives
all rights arising under the United States Constitution, the Nevada Constitution, the Medical
Practice Act, the OML, the APA, and any other legal rights that may be available to him or that
may apply to him in connection with the administrative proceedings resulting from the Complaint
filed in this matter, including defense of the Complaint, adjudication of the allegations set forth in
the Complaint, and imposition of any disciplinary actions or sanctions ordered by the Board.
Respondent agrees to settle and resolve the allegations of the Complaint as set out by this
Agreement, without a hearing or any further proceedings and without the right to judicial review.

4. Acknowledgement of Reasonable Basis to Proceed. Respondent acknowledges
that the IC believes it has a reasonable basis to allege that Respondent engaged in conduct that is
grounds for discipline pursuant to the Medical Practice Act. The IC acknowledges Respondent is
not admitting that the IC’s claims/counts as alleged in the Complaint have merit. Respondent is
agreeing to resolve this matter to avoid the costs of a hearing and potential subsequent litigation. Respondent’s hiring of an advanced nurse practitioner as opposed to a physician assistant(s) was done in a good faith attempt but ultimately incorrect statutory compliance. Respondent since understood that hiring a physician assistant(s) could solve this problem and quickly implemented this remedial measure by September 2015 with no further issues since. Respondent acted in the role of Medical Director, and not in a clinical role, and no patient harm occurred in this matter. Respondent asserts if this matter were to proceed to hearing, he has evidence, witnesses, expert witness(es) and defenses to the counts/claims alleged in the Complaint, but for the purposes of resolving the matter and for no other purpose, Respondent waives the presentation of evidence, witnesses, expert witnesses, and defenses in order to effectuate this Agreement.

5. **Consent to Entry of Order.** In order to resolve this Complaint pending against Respondent, Respondent hereby agrees that the Board may issue an order finding that Respondent engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. Accordingly, the following terms and conditions are hereby agreed upon:

a. Respondent admits to Count I, failure to adequately supervise (a violation of NRS 630.306(1)(r)).

b. Respondent will pay the costs and expenses incurred in the investigation and prosecution of this matter within sixty (60) days of the Board’s acceptance, adoption and approval of this Agreement, the current amount being $960.70, not including any costs that may be necessary to finalize this Agreement.

c. For Count I, Respondent shall pay a fine of $1,000.00 within sixty (60) days of the Board’s acceptance, adoption and approval of this Agreement.

d. Respondent shall complete four (4) hours of continuing medical education (CME) related to the subject matter of proper supervision of medical assistants within six (6) months from the date of the Board’s acceptance, adoption and approval of this Agreement. The aforementioned four (4) hours of CME shall be in addition to any CME requirements that are regularly imposed upon Respondent as a condition of licensure in the State of Nevada and shall be approved by the Board prior to their completion.
e. This Agreement shall be reported to the appropriate entities and parties as required
by law, including, but not limited to, the National Practitioner Data Bank.

f. Count II shall be dismissed with prejudice, and this Agreement shall encompass the
resolution of the formal disciplinary case currently before the Board.

6. Release From Liability. In execution of this Agreement, Respondent understands
and agrees that the State of Nevada, the Board, and each of its members, staff, counsel,
investigators, experts, peer reviewers, committees, panels, hearing officers, consultants and agents
are immune from civil liability for any decision or action taken in good faith in response to
information acquired by the Board. NRS 630.364(2)(a). Respondent agrees to release the State of
Nevada, the Board, and each of its members, staff, counsel, investigators, experts, peer reviewers,
committees, panels, hearing officers, consultants and agents from any and all manner of actions,
causes of action, suits, debts, judgments, executions, claims and demands whatsoever, known and
unknown, in law or equity, that Respondent ever had, now has, may have or claim to have, against
any or all of the persons, government agencies or entities named in this paragraph arising out of,
or by reason of, this investigation, this Agreement, or the administration of the case referenced
herein.

7. Procedure for Adoption of Agreement. The IC and counsel for the IC shall
recommend approval and adoption of the terms and conditions of this Agreement by the Board in
resolution of this Complaint. In the course of seeking Board acceptance, approval and adoption of
this Agreement, counsel for the IC may communicate directly with the Board staff and the
adjudicating members of the Board.

Respondent acknowledges that such contacts and communications may be made or
conducted ex parte, without notice or opportunity to be heard on his part until the public Board
meeting where this Agreement is discussed, and that such contacts and communications may
include, but may not be limited to, matters concerning this Agreement, the Complaint and any and
all information of every nature whatsoever related to this matter. The IC and its counsel agree that
Respondent may appear at the Board meeting where this Agreement is discussed and, if requested,
respond to any questions that may be addressed to the IC or the IC’s counsel.
8. **Effect of Acceptance of Agreement by Board.** In the event the Board accepts, approves and adopts this Agreement, the Board shall issue a final order, making this Agreement an order of the Board, and, pending full compliance with the terms herein, the case shall be closed and the remaining counts of the Complaint shall be dismissed with prejudice.

9. **Effect of Rejection of Agreement by Board.** In the event the Board does not accept, approve and adopt this Agreement, this Agreement shall be null, void and of no force and effect except as to the following agreement regarding adjudications: (1) Respondent agrees that, notwithstanding rejection of this Agreement by the Board, nothing contained in this Agreement and nothing that occurs pursuant to efforts of the IC to seek the Board’s acceptance of this Agreement shall disqualify any member of the adjudicating panel of the Board from considering this Complaint and from participating in disciplinary proceedings against Respondent, including adjudication of this case; and (2) Respondent further agrees that he shall not seek to disqualify any such member absent evidence of bad faith.

10. **Binding Effect.** If approved by the Board, Respondent understands that this Agreement is a binding and enforceable contract upon Respondent and the Board.

11. **Forum Selection Clause.** The parties agree that in the event either party is required to seek enforcement of this Agreement in district court, the parties consent to such jurisdiction and agree that exclusive jurisdiction shall be in the Second Judicial District Court, State of Nevada, Washoe County.

12. **Attorneys’ Fees and Costs.** The parties agree that in the event an action is commenced in district court to enforce any provision of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys’ fees and costs.

13. **Failure to Comply With Terms.** Should Respondent fail to comply with any term or condition of this Agreement once the Agreement has been accepted, approved and adopted by the Board, the IC shall be authorized to immediately suspend Respondent’s license to practice medicine in Nevada pending an Order to Show Cause Hearing, which will be duly noticed. Failure to comply with the terms of this Agreement, including failure to pay any fines, costs, expenses or fees owed to the Board, is a failure to comply with an order of the Board, which may
result in additional disciplinary action being taken against Respondent. NRS 630.3065(2)(a).

Further, Respondent's failure to remit payment to the Board for monies agreed to be paid as a condition of this Agreement may subject Respondent to civil collection efforts.
