Press Release – February 25, 2008

BOARD OF MEDICAL EXAMINERS WATCHING CONSPIRACY AND INSURANCE FRAUD TRIAL

The Nevada State Board of Medical Examiners has received numerous inquiries regarding the conspiracy and insurance fraud trial of Nevada licensed attorneys, and potentially physicians, in Clark County, Nevada. In answer to the public's inquiries, the Board is compelled to inform the public that all appropriate and necessary inquiries and contacts are being made by the Board's investigative division, to ensure that any violations of the Medical Practice Act that result from the trial will be evaluated for possible future action by the Board, in accordance with Nevada Revised Statutes Chapter 630.
