Note: For descriptions of the types of licenses listed, refer to page two.

The Application fee and Criminal Background Investigation fee will not be refunded. You may pay by cashier’s check or money order, payable to “NEVADA STATE BOARD OF MEDICAL EXAMINERS,” or by credit card. If paying by credit card, please complete the Credit Card Authorization form on the last page of this application. A two percent (2%) service fee will be assessed for payment by credit card.

Per Nevada Revised Statute 630.161, “The Board shall not issue a license to practice medicine to an applicant who has been licensed to practice any type of medicine in another jurisdiction and whose license was revoked for gross medical negligence by that jurisdiction.”

The Board’s staff conducts an investigation into your background during the application process. If staff becomes aware of circumstances** warranting a personal appearance at a Board meeting prior to acceptance of your application for licensure, your application must be completed 45 days prior to any regularly scheduled Board meeting in order for your appearance to be scheduled for that meeting for consideration of acceptance of your application. Under Nevada law, a public body cannot hold a meeting to consider the character, alleged misconduct, professional competence, or physical or mental health of any person unless it has given written notice to that person of the time and place of the meeting. The written notice must be sent by certified mail to the last known address of that person at least 21 working days before the meeting. A public body must receive proof of service of the notice before such a meeting may be held.

** You may be required to personally appear before the Board for acceptance of your application for licensure if you are applying for a license by Endorsement or for a restricted license.

** You may be required to personally appear before the Board for acceptance of your application for licensure if you have in any way ever been involved in any malpractice awards, judgments, or settlements in any amount.

If, at the time you meet with the Board, the Board votes to deny or not accept your application for licensure, this denial or non-acceptance of your application may become a reportable action to the National Practitioner Data Bank, Federation of State Medical Boards of the United States, Inc. and American Medical Association, among other entities.
License Descriptions

Active / Unrestricted License
This license gives full and unrestricted privileges to practice clinical medicine in the state of Nevada.

Inactive Status Unrestricted License
This license is an unrestricted license but with an inactive status rather than an active status. The licensee would not be able to practice medicine in the state of Nevada and cannot prescribe. In order to change the status of this license to active, the licensee would have to apply for a status change (an additional application and fee).

Endorsement License
An Endorsement license is NOT RECIPROCITY in the state of Nevada. This license may be granted to applicants who do not otherwise meet all of the requirements for licensure. The applicant must have an active license to practice medicine in the District of Columbia or any state or territory of the United States. The applicant may be required to meet with the full Board for consideration and approval of licensure by Endorsement. If granted, the license would give full and unrestricted privileges to practice clinical medicine.

Administrative License
With an Administrative license, the licensee may not engage in the practice of clinical medicine, cannot prescribe, and is allowed to practice medicine in an administrative capacity only as an: 1) Officer or employee of a state agency; 2) Independent contractor pursuant to a contract with the State; or 3) Officer, employee or independent contractor of a private insurance company, medical facility or medical care organization and who does not examine or treat patients in a clinical setting.

Restricted License
There are three different restricted license types. They are granted:
- To practice medicine in certain medical specialties for which there are critically unmet needs determined by the Governor;
- To practice medicine in medically underserved area of a county determined by a board of county commissioners;
- For a graduate of a foreign medical school to teach, research, or practice medicine at a medical research facility or medical school – this license expires automatically once the licensee ceases to teach, research or practice clinical medicine in this State at the sponsoring medical research facility or medical school.

Authorized Facility License
There are two different authorized facility licenses. They are granted:
- To practice as a Psychiatrist in a Mental Health Center of the Division under the direct supervision of a licensed Psychiatrist;
- To practice in an institution of the Department of Corrections under the direct supervision of a physician who holds an unrestricted license.

Locum Tenens License
A locum tenens license will be effective not more than 3 months after issuance, and is granted to any physician who is licensed and in good standing in the District of Columbia or any state or territory of the United States, who meets the requirements for licensure in this State and who is of good moral character and reputation. The purpose of this license is to enable an eligible physician to serve as a substitute for another physician who is licensed to practice medicine in this State and who is absent from his practice for reasons deemed sufficient by the Board. A locum tenens license is not renewable.

Temporary License
A temporary license is granted only if the Board determines that it is necessary in order to provide medical services for a community without adequate medical care. The physician must meet all of the requirements for licensure in this State and must hold an active license in good standing in the District of Columbia or any state or territory of the United States. A temporary license is granted for a specified period. The license is not renewable and is utilized for atypical circumstances.

RESPONSIBILITY STATEMENT

Please sign and return this statement with your application for licensure to:
The Nevada State Board of Medical Examiners
9600 Gateway Drive
Reno, NV 89521

Because you are applying for the privilege of practicing medicine in Nevada, you should know that our state has some of the most stringent licensing requirements and comprehensive investigation programs in the United States.

Via FBI fingerprinting and other investigative modalities, our licensing specialists are likely to discover if data you have submitted on your application is erroneous or incomplete; therefore, you must answer all questions truthfully and completely. Specifically, this includes any sanctions or disciplinary actions you may have experienced during medical school or your postgraduate training, or any involvement you may have had with the legal system, either civil or criminal — criminal to include charges that may have ultimately been expunged, lessened, or dismissed, and no matter how long ago the event(s) occurred.

Explaining and documenting a problem to your licensing specialist will be much less painful than discussing your veracity before the entire Board of Medical Examiners due to inconsistencies between your application and incongruent input from outside sources.

ONLY YOU — NOT A LAWYER, DOCTOR, SPOUSE, OR CREDENTIALING COMPANY — ARE RESPONSIBLE FOR READING AND ANSWERING EVERY QUESTION ACCURATELY AND COMPLETELY.

If you have any questions about your application, ASK YOUR LICENSING SPECIALIST. Our licensing specialists are here to help you.

I have read this responsibility statement and understand that I alone am accountable for completing my application for medical licensure in Nevada.

CIVIL APPLICANT WAIVER

NOTICE OF NONCRIMINAL JUSTICE APPLICANT’S RIGHTS

As an applicant who is the subject of a Federal Bureau of Investigation (FBI) fingerprint-based criminal history record check for a noncriminal justice purpose you have certain rights which are discussed below.

1. You must be notified by the Nevada State Board of Medical Examiners that your fingerprints will be used to check the criminal history records of the FBI and the State of Nevada.

2. If you have a criminal history record, the officials making a determination of your suitability for the job, license or other benefit for which you are applying must provide you the opportunity to complete or challenge the accuracy of the information in the record. You may review and challenge the accuracy of any and all criminal history records which are returned to the submitting agency. The proper forms and procedures will be furnished to you by the Nevada Department of Public Safety, Records Bureau upon request. If you decide to challenge the accuracy or completeness of your FBI criminal history record, Title 28 of the Code of Federal Regulations Section 16.34 provides for the proper procedure to do so:

   16.34 – Procedure to obtain change, correction or updating of identification records.
   If after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any changes necessary in accordance with the information supplied by that agency.

3. Based on 28 CFR § 50.12 (b), officials making such determinations should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.

4. You have the right to expect that officials receiving the results of the fingerprint-based criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal or state statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

5. I hereby authorize the Nevada State Board of Medical Examiners, to submit a set of my fingerprints to the Nevada Department of Public Safety, Records Bureau for the purpose of accessing and reviewing State of Nevada and FBI criminal history records that may pertain to me.

In giving this authorization, I expressly understand that the records may include information pertaining to notations of arrest, detainments, indictments, information or other charges for which the final court disposition is pending or is unknown to the above referenced agency. For records containing final court disposition information, I understand that the release may include information pertaining to dismissals, acquittals, convictions, sentences, correctional supervision information and information concerning the status of my parole or probation when applicable.
6. I hereby release from liability and promise to hold harmless under any and all causes of legal action, the State of Nevada, its officer(s), agent(s) and/or employee(s) who conducted my criminal history records search and provided information to the submitting agency for any statement(s), omission(s), or infringement(s) upon my current legal rights. I further release and promise to hold harmless and covenant not to sue any persons, firms, institutions or agencies providing such information to the State of Nevada on the basis of their disclosures. I have signed this release voluntarily and of my own free will.

A reproduction of this authorization for release of information by photocopy, facsimile or similar process, shall for all purposes be as valid as the original.

In consideration for processing my application I, the undersigned, whose name and signature voluntarily appears below; do hereby and irrevocably agree to the above.
