Per NRS 630.261(1)(e) & NRS 630.261(2)
A special purpose license is granted to a physician who is licensed in another state to perform any of the acts described in subsections 1 and 2 of NRS 630.020 by using equipment that transfers information concerning the medical condition of a patient in this State electronically, telephonically or by fiber optics including, without limitation, through telehealth, from within or outside this State or the United States. A physician who holds a special purpose license issued pursuant to this paragraph:

(1) Except as otherwise provided by specific statute or regulation, shall comply with the provisions of this chapter and the regulations of the Board; and

(2) To the extent not inconsistent with the Nevada Constitution or the United States Constitution, is subject to the jurisdiction of the courts of this State.

2. For the purpose of paragraph (e) of subsection 1, the physician must:
(a) Hold a full and unrestricted license to practice medicine in another state;
(b) Not have had any disciplinary or other action taken against him or her by any state or other jurisdiction; and
(c) Be certified by a specialty board of the American Board of Medical Specialties or its successor.

Please print your name and address clearly in the space provided below. Be advised that the address you provide below is viewable on the Board website and is listed as the public address. Also, please provide your current public telephone and fax numbers. [Note: If your name has changed, a copy of the document authorizing your legal name change (marriage license, divorce decree, etc.) must be included.]
