You may pay by cashier’s check or money order, payable to “NEVADA STATE BOARD OF MEDICAL EXAMINERS,” or by credit card. If paying by credit card, please complete the Credit Card Authorization form on the last page of this application. A two percent (2%) service fee will be assessed for payment by credit card.

Applications which appear to have been altered in any form will not be accepted. Applications must be typed or legibly handwritten (illegible or incomplete applications will be returned). Applications must be received on single-sided white bond paper, 8 ½” x 11” in size. Your application is a public document.

Applications not completed within six (6) months from date of receipt will be rejected per NAC 630.180(2).

Per Nevada Revised Statute 630.161, “The Board shall not issue a license to practice medicine to an applicant who has been licensed to practice any type of medicine in another jurisdiction and whose license was revoked for gross medical negligence by that jurisdiction.”

A SPECIAL VOLUNTEER MEDICAL LICENSE IS GRANTED TO:

A physician who is retired from active practice and who:

- Wishes to donate his or her expertise for the medical care and treatment of persons in this State who are indigent, uninsured or unable to afford healthcare; or
- Wishes to provide services for any disaster relief operations conducted by a governmental entity or nonprofit organization;

The physician will not receive any payment or compensation, either direct or indirect, or have the expectation of any payment or compensation for providing medical care under the Special Volunteer Medical License, except payment by a medical facility at which the physician provides volunteer medical services of the expenses of the physician for necessary travel, continuing education, malpractice insurance, or fees of the Nevada State Board of Pharmacy.

During the application process of a Special Volunteer Medical License, the physician must provide proof that he or she has previously been issued an unrestricted license to practice medicine in any state of the United States and that he or she has never been the subject of disciplinary action by a medical board or any other jurisdiction.

The initial Special Volunteer License expires 1 year after the date of issuance. The license may be renewed and any license that is renewed expires 2 years after the date of issuance.

The retired physician must be competent to practice medicine.

A physician with a Special Volunteer Medical License must comply with the continuing medical education (CME) requirements for registration renewal which is the following: 40 hours of continuing medical education during the preceding 24 months, 2 hours must be in medical ethics and 20 hours of which must be in the scope of practice or specialty of the holder of the license. The CME must be Category 1 and approved by the AMA.
The Board’s staff conducts an investigation into your background during the application process. If staff becomes aware of circumstances** warranting a personal appearance at a Board meeting prior to acceptance of your application for licensure, your application must be completed 45 days prior to any regularly scheduled Board meeting in order for your appearance to be scheduled for that meeting for consideration of acceptance of your application. Under Nevada law, a public body cannot hold a meeting to consider the character, alleged misconduct, professional competence, or physical or mental health of any person unless it has given written notice to that person of the time and place of the meeting. The written notice must be sent by certified mail to the last known address of that person at least 21 working days before the meeting. A public body must receive proof of service of the notice before such a meeting may be held.

** You may be required to personally appear before the Board for acceptance of your application for licensure if you have in any way ever been involved in any malpractice awards, judgments, or settlements in any amount.

** You may be required to personally appear before the Board for acceptance of your application for licensure if you have answered in the affirmative (“Yes”) to questions 8, 9, 10, 11, 12, 12a, 13, 19, 27, 28, 29, 30, 31, 32 and/or 33.

If, at the time you meet with the Board, the Board votes to deny or not accept your application for licensure, this denial or non-acceptance of your application may become a reportable action to the National Practitioner Data Bank, Federation of State Medical Boards of the United States, Inc. and American Medical Association, among other entities.

RESPONSIBILITY STATEMENT

Please sign and return this statement with your application for licensure to:
The Nevada State Board of Medical Examiners
9600 Gateway Drive
Reno, NV 89521

Because you are applying for the privilege of practicing medicine in Nevada, you should know that our state has some of the most stringent licensing requirements and comprehensive investigation programs in the United States.

Via FBI fingerprinting and other investigative modalities, our licensing specialists are likely to discover if data you have submitted on your application is erroneous or incomplete; therefore, you must answer all questions truthfully and completely. Specifically, this includes any sanctions or disciplinary actions you may have experienced during medical school or your postgraduate training, or any involvement you may have had with the legal system, either civil or criminal — criminal to include charges that may have ultimately been expunged, lessened, or dismissed, and no matter how long ago the event(s) occurred.

Explaining and documenting a problem to your licensing specialist will be much less painful than discussing your veracity before the entire Board of Medical Examiners due to inconsistencies between your application and incongruent input from outside sources.

ONLY YOU — NOT A LAWYER, DOCTOR, SPOUSE, OR CREDENTIALING COMPANY — ARE RESPONSIBLE FOR READING AND ANSWERING EVERY QUESTION ACCURATELY AND COMPLETELY.

If you have any questions about your application, ASK YOUR LICENSING SPECIALIST. Our licensing specialists are here to help you.

I have read this responsibility statement and understand that I alone am accountable for completing my application for medical licensure in Nevada.

Note: It is your responsibility to keep the Board informed of any circumstance or event that would require a change to your initial responses provided to the Board in your application for licensure, and which occurs prior to you being granted licensure to practice medicine in the state of Nevada.
As an applicant who is the subject of a Federal Bureau of Investigation (FBI) fingerprint-based criminal history record check for a noncriminal justice purpose you have certain rights which are discussed below.

1. You must be notified by the Nevada State Board of Medical Examiners that your fingerprints will be used to check the criminal history records of the FBI and the State of Nevada.

2. If you have a criminal history record, the officials making a determination of your suitability for the job, license or other benefit for which you are applying must provide you the opportunity to complete or challenge the accuracy of the information in the record. You may review and challenge the accuracy of any and all criminal history records which are returned to the submitting agency. The proper forms and procedures will be furnished to you by the Nevada Department of Public Safety, Records Bureau upon request. If you decide to challenge the accuracy or completeness of your FBI criminal history record, Title 28 of the Code of Federal Regulations Section 16.34 provides for the proper procedure to do so:

   **16.34 – Procedure to obtain change, correction or updating of identification records.**

   If after reviewing his/her identification record, the subject thereof believes that it is incorrect or incomplete in any respect and wishes changes, corrections or updating of the alleged deficiency, he/she should make application directly to the agency which contributed the questioned information. The subject of a record may also direct his/her challenge as to the accuracy or completeness of any entry on his/her record to the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306. The FBI will then forward the challenge to the agency which submitted the data requesting that agency to verify or correct the challenged entry. Upon the receipt of an official communication directly from the agency which contributed the original information, the FBI CJIS Division will make any changes necessary in accordance with the information supplied by that agency.

3. Based on 28 CFR § 50.12 (b), officials making such determinations should not deny the license or employment based on information in the record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.

4. You have the right to expect that officials receiving the results of the fingerprint-based criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal or state statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

5. I hereby authorize the Nevada State Board of Medical Examiners, to submit a set of my fingerprints to the Nevada Department of Public Safety, Records Bureau for the purpose of accessing and reviewing State of Nevada and FBI criminal history records that may pertain to me.

In giving this authorization, I expressly understand that the records may include information pertaining to notations of arrest, detainments, indictments, information or other charges for which the final court disposition is pending or is unknown to the above referenced agency. For records containing final court disposition information, I understand that the release may include information pertaining to dismissals, acquittals, convictions, sentences, correctional supervision information and information concerning the status of my parole or probation when applicable.
6. I hereby release from liability and promise to hold harmless under any and all causes of legal action, the State of Nevada, its officer(s), agent(s) and/or employee(s) who conducted my criminal history records search and provided information to the submitting agency for any statement(s), omission(s), or infringement(s) upon my current legal rights. I further release and promise to hold harmless and covenant not to sue any persons, firms, institutions or agencies providing such information to the State of Nevada on the basis of their disclosures. I have signed this release voluntarily and of my own free will.

A reproduction of this authorization for release of information by photocopy, facsimile or similar process, shall for all purposes be as valid as the original.
