RECEIVED OCT 14 2021 NEVADA STATE BOARD OF

ATTENTION APPLICANT!

RESPONSIBILITY STATEMENT

Please sign and return this statement with your application for licensure to:

The Nevada State Board of Medical Examiners

9600 Gateway Drive

Reno, NV 89521

Because you are applying for the privilege of practicing medicine, perfusion or respiratory care in Nevada, you should know that our state has some of the most stringent licensing requirements and comprehensive investigation programs in the United States.

Via FBI fingerprinting and other investigative modalities, our licensing specialists are likely to discover if data you have submitted on your application is erroneous or incomplete; therefore, you must answer all questions truthfully and completely. Specifically, this includes any sanctions or disciplinary actions you may have experienced during medical school or your postgraduate training, or any involvement you may have had with the legal system, either civil or criminal — criminal to include charges that may have ultimately been expunged, lessened, or dismissed, and no matter how long ago the event(s) occurred.

Explaining and documenting a problem to your licensing specialist will be much less painful than discussing your veracity before the entire Board of Medical Examiners due to inconsistencies between your application and incongruent input from outside sources.

ONLY YOU — NOT A LAWYER, DOCTOR, SPOUSE, OR CREDENTIALING COMPANY — ARE RESPONSIBLE FOR READING AND ANSWERING EVERY QUESTION ACCURATELY AND COMPLETELY.

If you have any questions about your application, ASK YOUR LICENSING SPECIALIST. Our licensing specialists are here to help you.

I have read this responsibility statement and understand that I alone am accountable for completing my application for medical licensure in Nevada.
