**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

15
16 In the interest of a prompt and speedy settlement of this matter, consistent with the public
17 interest and the responsibility of the Medical Board of California of the Department of Consumer
18 Affairs ("Board"), the parties hereby agree to the following Stipulated Settlement and
19 Disciplinary Order which will be submitted to the Board for approval and adoption as the final
20 disposition of the Accusation.

21 **PARTIES**

22 1) Barbara Johnston (Complainant) is the Executive Director of the Board. She
23 brought this action solely in her official capacity and is represented in this matter by Edmund G.
24 Brown Jr., Attorney General of the State of California, by Klint James McKay, Deputy Attorney
25 General.

26 2) Respondent Adrian, Adrian, M.D. (Respondent) is represented in this proceeding
27 by attorney Arthur Robert Chenen, whose address is Theodora Oringher Miller & Richman PC,
28

1 2029 Century Park E, Sixth Floor, Los Angeles, CA 90067-2907 and Mark Waecker, Esq.,
2 whose address is 300 South Grand Ave., 24th Floor, Los Angeles, CA 90071.

3 3) On or about August 7, 1996, the Board issued Physician and Surgeon No.
4 AFE56237 to Adrian, Adrian, M.D. (Respondent). Said license is delinquent and in "Retired"
5 status; it expired on March 31, 2008. Respondent does not currently reside or practice medicine
6 in California.

7 **JURISDICTION**

8 4) Accusation No. 062005164993 (the "Accusation") was filed before the Board, and
9 is currently pending against Respondent. The Accusation and all other statutorily required
10 documents were properly served on Respondent on September 7, 2007. Respondent timely filed
11 his Notice of Defense contesting the Accusation. A copy of the Accusation is attached hereto
12 and incorporated herein by this reference.

13 **ADVISEMENT AND WAIVERS**

14 5) Respondent has carefully read, fully discussed with counsel, and understands the
15 charges and allegations in the Accusation. Respondent has also carefully read, fully discussed
16 with counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

17 6) Respondent is fully aware of his legal rights in this matter, including the right to a
18 hearing on the charges and allegations in the Accusation; the right to be represented by counsel at
19 his own expense; the right to confront and cross-examine the witnesses against him; the right to
20 present evidence and to testify on his own behalf; the right to the issuance of subpoenas to
21 compel the attendance of witnesses and the production of documents; the right to reconsideration
22 and court review of an adverse decision; and all other rights accorded by the California
23 Administrative Procedure Act and other applicable laws.

24 7) Respondent voluntarily, knowingly, and intelligently waives and gives up each
25 and every right set forth above.

26 **CULPABILITY**

27 8) Respondent understands and agrees that the charges and allegations in Accusation
28 Number 062005164993, if proven at a hearing, constitute cause for imposing discipline upon

1 his Physician and Surgeon's Certificate Number AFE56237.

2 9) For the purpose of resolving the Accusation without the expense and uncertainty
3 of further proceedings, Respondent agrees that, at a hearing, Complainant could present a *prima*
4 *facie* case establishing the factual basis for the charges in the Accusation. Respondent hereby
5 gives up his right to contest those charges.

6 10) Respondent agrees that his Physician and Surgeon's Certificate Number
7 AFE56237 is subject to discipline and he agrees to be bound by the Board's imposition of
8 discipline as set forth in the Disciplinary Order below.

9 **CONTINGENCY**

10 11) This stipulation is subject to approval by the Board. Respondent understands and
11 agrees that counsel for Complainant and the staff of the Board may communicate directly with
12 the Board regarding this stipulation and settlement, without notice to or participation by
13 Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that
14 he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board
15 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,
16 this Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this
17 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
18 be disqualified from further action by having considered this matter.

19 12) The parties understand and agree that facsimile copies of this Stipulated
20 Settlement and Disciplinary Order, including facsimile signatures thereto, shall have the same
21 force and effect as the originals.

22 13) In consideration of the foregoing admissions and stipulations, the parties agree
23 that the Board may, without further notice or formal proceeding, issue and enter the following
24 Disciplinary Order:

25 **DISCIPLINARY ORDER**

26 14) IT IS HEREBY ORDERED that Respondent's Physician and Surgeon License
27 No. AFE56237 is revoked. However, such revocation is stayed and Respondent placed on seven
28 years probation on the following terms and conditions, which shall commence from the date

1 Respondent's license is restored from "Retired" status. If Respondent does not apply to restore
2 his license from "Retired" status within two years from the effective date of the Order by the
3 Medical Board after its adoption of this Stipulation, said license shall be canceled pursuant to
4 Paragraph 15 hereinbelow on the terms and conditions set forth therein.

5 a) Respondent's license shall be actually suspended for eighteen months from the
6 date his license is restored from "Retired" status;

7 b) Respondent shall complete forty additional hours of continuing medical education
8 annually for the duration of probation as more fully set forth in Paragraph 16 below;

9 c) Respondent shall complete an approved medical record keeping course, an
10 approved ethics course, and full PACE (Physician Assessment and Clinical Education) program,
11 all within six months of the date Respondent actually resumes California practice, as set forth
12 more fully in Paragraphs 17, 18 and 19, respectively;

13 d) Respondent shall have a practice and billing monitor, at his cost, during the entire
14 period of probation as more fully set forth in Paragraph 20;

15 e) No solo practice as set forth in Paragraph 21; and

16 f) Compliance with all other terms and conditions in this Stipulation.

17
18
19 15) NON RESUMPTION OF CALIFORNIA PRACTICE If Respondent has not
20 applied to restore his license from "Retired" status in California within the two years as set forth
21 in the preceding paragraph, his medical license will be canceled. There will be no tolling of this
22 provision; this period will begin to run from the date of the Order by the Medical Board after its
23 adoption of this Stipulation. After such cancellation, Respondent must apply for (and be granted)
24 relicensure before practicing medicine in California. This may be denied or conditioned upon
25 any and all terms, without limitation, deemed appropriate by the Board in its sole discretion.

26
27 16) ADDITIONAL CONTINUING EDUCATION COURSES Within 60 calendar
28 days of the date Respondent's license is restored from "Retired" status, and on an annual basis

1 thereafter for the duration of his probation, Respondent shall submit to the Board or its designee
2 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours
3 per year. The educational program(s) or course(s) shall be aimed at correcting any areas of
4 deficient practice or knowledge and shall be Category I certified, limited to classroom,
5 conference, or seminar settings. The educational program(s) or course(s) shall be at
6 Respondent's expense and shall be in addition to the Continuing Medical Education (CME)
7 requirements for renewal of licensure. Following the completion of each course, the Board or its
8 designee may administer an examination to test Respondent's knowledge of the course.
9 Respondent shall provide proof of attendance for 65 hours of continuing medical education of
10 which 40 hours were in satisfaction of this condition.

11 17) MEDICAL RECORD KEEPING COURSE Within 60 calendar days of the date
12 Respondent's license is restored from "Retired" status, Respondent shall enroll in a course in
13 medical record keeping, at Respondent's expense, approved in advance by the Board or its
14 designee. Failure to successfully complete the course during the first 6 months of probation is a
15 violation of probation.

16 A medical record keeping course taken after the acts that gave rise to the charges
17 in the Accusation, but prior to the effective date of the Decision may, in the sole discretion of the
18 Board or its designee, be accepted towards the fulfillment of this condition if the course would
19 have been approved by the Board or its designee had the course been taken after the effective
20 date of this Decision.

21 Respondent shall submit a certification of successful completion to the Board or
22 its designee not later than 15 calendar days after successfully completing the course, or not later
23 than 15 calendar days after the effective date of the Decision, whichever is later.
24

25 18) ETHICS COURSE Within 60 calendar days of the date Respondent's license is
26 restored from "Retired" status, Respondent shall enroll in a course in ethics, at Respondent's
27 expense, approved in advance by the Board or its designee. Failure to successfully complete the
28 course during the first year of probation is a violation of probation.

1 An ethics course taken after the acts that gave rise to the charges in the
2 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
3 or its designee, be accepted towards the fulfillment of this condition if the course would have
4 been approved by the Board or its designee had the course been taken after the effective date of
5 this Decision.

6 Respondent shall submit a certification of successful completion to the Board or
7 its designee not later than 15 calendar days after successfully completing the course, or not later
8 than 15 calendar days after the effective date of the Decision, whichever is later.

9 19) CLINICAL TRAINING PROGRAM (PACE) Within 60 calendar days of the
10 date Respondent's license is restored from "Retired" status, Respondent shall enroll in a clinical
11 training or educational program equivalent to the Physician Assessment and Clinical Education
12 Program (PACE) offered at the University of California - San Diego School of Medicine
13 ("Program").

14 The Program shall consist of a Comprehensive Assessment program comprised of
15 a two-day assessment of Respondent's physical and mental health; basic clinical and
16 communication skills common to all clinicians; and medical knowledge, skill and judgment
17 pertaining to Respondent's specialty or sub-specialty, and at minimum, a 40 hour program of
18 clinical education in the area of practice in which Respondent was alleged to be deficient and
19 which takes into account data obtained from the assessment, Decision(s), Accusation(s), and any
20 other information that the Board or its designee deems relevant. Respondent shall pay all
21 expenses associated with the clinical training program.

22 Based on Respondent's performance and test results in the assessment and clinical
23 education, the Program will advise the Board or its designee of its recommendation(s) for the
24 scope and length of any additional educational or clinical training, treatment for any medical
25 condition, treatment for any psychological condition, or anything else affecting Respondent's
26 practice of medicine. Respondent shall comply with Program recommendations.

27
28 At the completion of any additional educational or clinical training, Respondent

1 shall submit to and pass an examination. The Program's determination whether or not
2 Respondent passed the examination or successfully completed the Program shall be binding.

3 Respondent shall complete the Program not later than six months after
4 Respondent's initial enrollment unless the Board or its designee agrees in writing to a later time
5 for completion.

6 Failure to participate in and complete successfully all phases of the clinical
7 training program outlined above is a violation of probation.

8 Respondent shall not practice medicine until Respondent has successfully
9 completed the Program and has been so notified by the Board or its designee in writing, except
10 that Respondent may practice in a clinical training program approved by the Board or its
11 designee. Respondent's practice of medicine shall be restricted only to that which is required by
12 the approved training program.

13 After Respondent has successfully completed the clinical training program, Respondent
14 shall participate in a professional enhancement program equivalent to the one offered by the
15 Physician Assessment and Clinical Education Program at the University of California, San Diego
16 School of Medicine, which shall include quarterly chart review, semi-annual practice assessment,
17 and semi-annual review of professional growth and education. Respondent shall participate in
18 the professional enhancement program at Respondent's expense during the term of probation, or
19 until the Board or its designee determines that further participation is no longer necessary.
20

21 Failure to participate in and complete successfully the professional enhancement
22 program outlined above is a violation of probation.

23 20) MONITORING - PRACTICE/BILLING Within 30 calendar days of the date
24 Respondent's license is restored from "Retired" status, Respondent shall submit to the Board or
25 its designee for prior approval as a practice and billing monitor, the name and qualifications of
26 one or more licensed physicians and surgeons whose licenses are valid and in good standing, and
27 who are preferably American Board of Medical Specialties (ABMS) certified. A monitor shall
28 have no prior or current business or personal relationship with Respondent, or other relationship

1 that could reasonably be expected to compromise the ability of the monitor to render fair and
2 unbiased reports to the Board, including, but not limited to, any form of bartering, shall be in
3 Respondent's field of practice, and must agree to serve as Respondent's monitor. Respondent
4 shall pay all monitoring costs.

5 The Board or its designee shall provide the approved monitor with copies of the
6 Decision(s) and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of
7 receipt of the Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit
8 a signed statement that the monitor has read the Decision(s) and Accusation(s), fully understands
9 the role of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor
10 disagrees with the proposed monitoring plan, the monitor shall submit a revised monitoring plan
11 with the signed statement.

12 Within 60 calendar days of the date Respondent's license is restored from
13 "Retired" status, and continuing throughout probation, Respondent's practice and billing shall be
14 monitored by the approved monitor or monitors. Respondent shall make all records available for
15 immediate inspection and copying on the premises by the monitor at all times during business
16 hours, and shall retain the records for the entire term of probation.

17 The monitor(s) shall submit a quarterly written report to the Board or its designee
18 which includes an evaluation of Respondent's performance, indicating whether Respondent's
19 practices are within the standards of practice of medicine or billing, or both, and whether
20 Respondent is practicing medicine safely, billing appropriately or both.

21 It shall be the sole responsibility of Respondent to ensure that the monitor submits
22 the quarterly written reports to the Board or its designee within 10 calendar days after the end of
23 the preceding quarter.
24

25 If the monitor resigns or is no longer available, Respondent shall, within 5
26 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
27 approval, the name and qualifications of a replacement monitor who will be assuming that
28 responsibility within 15 calendar days. If Respondent fails to obtain approval of a replacement

1 monitor within 60 days of the resignation or unavailability of the monitor, Respondent shall be
2 suspended from the practice of medicine until a replacement monitor is approved and prepared to
3 assume immediate monitoring responsibility. Respondent shall cease the practice of medicine
4 within 3 calendar days after being so notified by the Board or designee.

5 In lieu of a monitor, Respondent may participate in a professional enhancement
6 program equivalent to the one offered by the Physician Assessment and Clinical Education
7 Program at the University of California, San Diego School of Medicine, that includes, at
8 minimum, quarterly chart review, semi-annual practice assessment, and semi-annual review of
9 professional growth and education. Respondent shall participate in the professional enhancement
10 program at Respondent's expense during the term of probation.

11 Failure to maintain all records, or to make all appropriate records available for
12 immediate inspection and copying on the premises, or to comply with this condition as outlined
13 above is a violation of probation.

14 21) SOLO PRACTICE Respondent is prohibited from engaging in the solo practice
15 of medicine during the period of his probation.

16 22) NOTIFICATION Prior to engaging in the practice of medicine in California, the
17 Respondent shall provide a true copy of the Decision(s) and Accusation(s) to the Chief of Staff
18 or the Chief Executive Officer at every hospital where privileges or membership are extended to
19 Respondent, at any other facility where Respondent engages in the practice of medicine,
20 including all physician and locum tenens registries or other similar agencies, and to the Chief
21 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
22 Respondent. Respondent shall submit proof of compliance to the Board or its designee within
23 15 calendar days.

24 This condition shall apply to any change(s) in hospitals, other facilities or
25 insurance carrier.

26 23) SUPERVISION OF PHYSICIAN ASSISTANTS During probation, Respondent
27 is prohibited from supervising physician assistants.
28

1 24) OBEY ALL LAWS Respondent shall obey all federal, state and local laws, all
2 rules governing the practice of medicine in California, and remain in full compliance with any
3 court ordered criminal probation, payments and other orders.

4 25) QUARTERLY DECLARATIONS During probation, Respondent shall submit
5 quarterly declarations under penalty of perjury on forms provided by the Board, stating whether
6 there has been compliance with all the conditions of probation. Respondent shall submit
7 quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

8 26) PROBATION UNIT COMPLIANCE Respondent shall comply with the rules
9 and regulations of the Board's probation unit during probation. Respondent shall, at all times,
10 keep the Board informed of Respondent's business and residence addresses. Changes of such
11 addresses shall be immediately communicated in writing to the Board or its designee. Under no
12 circumstances shall a post office box serve as an address of record, except as allowed by
13 Business and Professions Code section 2021(b).

14 Respondent shall not engage in the practice of medicine in Respondent's place of
15 residence. Respondent shall maintain a current and renewed California physician's and
16 surgeon's license during probation.

17 During probation, Respondent shall immediately inform the Board or its designee,
18 in writing, of travel to any areas outside the jurisdiction of California which lasts, or is
19 contemplated to last, more than 30 calendar days.

20 27) INTERVIEW WITH THE BOARD OR ITS DESIGNEE Respondent shall be
21 available in person for interviews either at Respondent's place of business or at the probation
22 unit office, with the Board or its designee, upon request at various intervals, and either with or
23 without prior notice throughout the term of probation.

24 28) EFFECT OF SUSPENSION, DEFINITION OF "NON PRACTICE"
25 The suspension set forth in Paragraph 14(a) above shall not be considered non practice.
26 For the purposes of any provision in this document, "non practice" means any period of
27
28

1 time exceeding 30 calendar days in which Respondent is not engaging, in California, in any
2 activity defined in sections 2051 and 2052 of the Business and Professions Code.

3 29) FAILURE TO PRACTICE MEDICINE IN CALIFORNIA

4 In the event Respondent resides or practices in California within the initial two
5 year period set forth in Paragraphs 14 and 15, and for any reason later stops practicing medicine
6 in California, Respondent shall notify the Board or its designee in writing at least 30 calendar
7 days prior to the commencement of non practice. Any such period of non practice will not
8 reduce the probationary term and does not relieve Respondent of the responsibility to comply
9 with the terms and conditions of probation.

10 Periods of temporary or permanent residence or practice outside California will not
11 reduce the probationary term; they will, however, relieve Respondent of the responsibility to
12 comply with the probationary terms and conditions, with the exception of this provision and
13 Paragraphs 24 and 26.

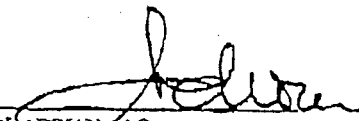

14 Respondent's license shall be automatically canceled if Respondent resides in California
15 but fails to engage, in California, in any of the activities described in Business and Professions
16 Code sections 2051 and 2052 within the two year period set forth in Paragraphs 14 and 15.

17 30) COMPLETION OF PROBATION Respondent shall comply with all financial
18 obligations (probation and monitoring costs, for example) not later than 120 calendar days prior
19 to the completion of probation. Upon successful completion of probation, Respondent's license
20 shall be fully restored.

21 31) VIOLATION OF PROBATION Failure to fully comply with any term or
22 condition of probation is a violation of probation. If Respondent violates probation in any
23 respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke
24 probation and carry out the disciplinary order that was stayed. If an Accusation, Petition to
25 Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation,
26 the Board shall have continuing jurisdiction until the matter is final, and the period of probation
27 shall be extended until the matter is final.
