NEVADA STATE BOARD OF  
MEDICAL EXAMINERS  
By: 

**ORDER OF SUMMARY SUSPENSION AND NOTICE OF HEARING**

The Investigative Committee<sup>1</sup> (IC) of the Nevada State Board of Medical Examiners (Board) hereby **IMMEDIATELY SUMMARILY SUSPENDS** the license of Morton Isaac Hyson, M.D. (Licensee) from the practice of medicine, pursuant to the Board's authority to regulate the practice of medicine in the State of Nevada pursuant to Nevada Revised Statutes (NRS) Chapter 630.

The IC issues this Order of Summary Suspension (Order) based on its determination that Licensee's acts put the health, safety or welfare of the public at risk of imminent harm pursuant to NRS 630.326(1).

Prior to the preparation of this Order, Board Staff presented to the IC the following:

1. Licensee is a medical doctor licensed to practice medicine in the State of Nevada (6062). The Board issued his license on July 1, 1990.
2. On November 27, 2020, Licensee entered into a Settlement Agreement with the IC and the Board approved it on December 4, 2020. *See Exhibit 1.*
3. Notably, a restriction/condition contained in the Settlement Agreement was for the Licensee to have a female chaperone with him when treating female patients and to document these events in his medical records. *Id.* at 5g.

<sup>1</sup> The Investigative Committee of the Nevada State Board of Medical Examiners is composed of Board members Bret W. Frey, M.D., Chairman, Chowdhury H. Ashan, M.D., Ph.D., FACC, and Col. Eric D. Wade, USAF (Ret.).

1           4.       On June 4, 2021, Licensee appeared before the Board during a regularly scheduled  
2 Board meeting along with his attorney and requested that the Board remove that restriction from  
3 his license to practice medicine. Licensee adamantly assured the Board that he would keep the  
4 chaperone in place and gave the Board permission to randomly retrieve his records to determine if  
5 he was utilizing the chaperone(s) appropriately. The Board approved the request and removed the  
6 restriction of having a chaperone present during the Licensee's treatment of female patients.  
7 However, the Board made clear to Licensee that it continued to have the expectation that Licensee  
8 would have a chaperone, but it would no longer be a condition on his license.

9           5.       On June 16, 2021, the Board filed an Order removing the restriction/condition from  
10 Licensee's license to practice medicine in the State of Nevada, with the understanding Licensee  
11 would continue to utilize chaperones. *See Exhibit 2.*

12           6.       Upon information and belief, on or about February 7, 2022, Patient A<sup>2</sup> visited the  
13 Licensee for consultation about a neurological test and nothing seemed out of the ordinary. *See*  
14 Patient A's Affidavit attached hereto as **Exhibit 3.**

15           7.       Upon information and belief, Patient A returned to Licensee's office for  
16 performance of the test on or about February 9, 2022. *Id.*

17           8.       Upon information and belief, Patient A was seen by another unidentified person  
18 and then Licensee saw her with no chaperone, particularly a female one, in the room. *Id.*

19           9.       Upon information and belief, Patient A was extremely uncomfortable when  
20 Licensee was performing his portion of the neurological exam, which included unlawful and  
21 unsolicited sexual touching without Patient A's consent as she started to leave the room. *Id.*

22           10.      Upon information and belief, Respondent made five (5) needle punctures to Patient  
23 A's skin on her arm without sterilizing the area during the test. *Id.*

24           11.      Upon information and belief, when Patient A was trying to leave the room,  
25 Licensee moved closer to Patient A groping her body and made an attempt to kiss her on the

1 mouth. Patient A turned her head, but could not avoid being kissed on the cheek as she tried to  
2 push Licensee away. *Id.*

3 12. As Patient A was nearly out of the door of the room, Licensee pulled out a wad of  
4 cash and handed Patient A two one hundred dollar bills. *Id.*

5 13. Based on the foregoing, the IC finds that the health, safety and welfare of the  
6 public is at imminent risk of harm if Licensee is permitted to continue practicing, and that an  
7 immediate summary suspension of Licensee's license to practice medicine in the State of Nevada  
8 is necessary for the protection of the public. *See* NRS 630.326(1).

9 **ORDER**

10 **IT IS HEREBY ORDERED** that the License of Morton Isaac Hyson, M.D. (6062) is  
11 **SUMMARILY SUSPENDED** until further order of the IC or Board, and Licensee is prohibited  
12 from engaging in any acts that constitute the practice of medicine pursuant to NRS 630.020; and

13 **IT IS FURTHER ORDERED** that a hearing on this matter is set for the **20th day of**  
14 **June, 2022, at 9:00 a.m.,** at the Board's office located at 9600 Gateway Drive, Reno, Nevada  
15 89521, to determine whether this suspension may continue, unless the parties mutually agree in  
16 writing to a different date and/or time. *See* NRS 630.326(2).

10                   **SETTLEMENT AGREEMENT**

11                   The Investigative Committee (IC) of the Nevada State Board of Medical Examiners (Board),  
12                   by and through Robert Kilroy, Esq., General Counsel for the Board and attorney for the IC, and  
13                   Morton Isaac Hyson, M.D. (Respondent), a licensed physician in Nevada, through his attorney  
14                   Katherine Turpen, Esq., of John Cotton & Associates, Ltd., hereby enter into this Settlement  
15                   Agreement (Agreement) based on the following:<sup>1</sup>

16                   A.    **Background**

17                   1.    Respondent is a physician currently licensed in active status by the Board pursuant to  
18                   Chapter 630 of the Nevada Revised Statutes (NRS) and Chapter 630 of the Nevada Administrative  
19                   Code (NAC) (collectively, the Medical Practice Act) to practice medicine in Nevada. His license was  
20                   originally issued on July 1, 1990 (License No. 6062).

21                   2.    On November 16, 2020, in Case No. 20-8616-1, the IC filed a formal Complaint  
22                   (Complaint) charging Respondent with violating the Medical Practice Act. Specifically, the  
23                   Complaint alleges Count I, Failure to Maintain Proper Medical Records, NRS 630.3062(1)(a), Count  
24                   II, Failure to Maintain Proper Medical Records, NRS 630.3062(1)(a), Count III, Failure to Comply  
25

26                   \_\_\_\_\_  
27                   <sup>1</sup> All agreements and admissions made by Respondent are solely for final disposition of this matter and any  
28                   subsequent related administrative proceedings or civil litigation involving the Board and Respondent. Therefore,  
Respondent's agreements and admissions are not intended or made for any other use, such as in the context of another  
state or federal government regulatory agency proceeding, state or federal civil or criminal proceeding, any state or  
federal court proceeding, or any credentialing or privileges matter.

1 with Order, NRS 630.3065(2)(a). By reason of the foregoing, Respondent is subject to discipline by  
2 the Board as provided in NRS 630.352.

3 3. Respondent was properly served with a copy of the Complaint, has reviewed and  
4 understands the Complaint, and has had the opportunity to consult with competent counsel  
5 concerning the nature and significance of this Complaint.

6 4. Respondent is hereby advised of his rights regarding this administrative matter, and of  
7 his opportunity to defend against the allegations in the Complaint. Specifically, Respondent has  
8 certain rights in this administrative matter as set out by the United States Constitution, the Nevada  
9 Constitution, the Medical Practice Act, the Nevada Open Meeting Law (OML), which is contained in  
10 NRS Chapter 241, and the Nevada Administrative Procedure Act (APA), which is contained in  
11 NRS Chapter 233B. These rights include the right to a formal hearing on the allegations in the  
12 Complaint, the right to representation by counsel, at his own expense, in the preparation and  
13 presentation of his defense, the right to confront and cross-examine the witnesses and evidence against  
14 him, the right to written findings of fact, conclusions of law and order reflecting the final decision of  
15 the Board, and the right to judicial review of the Board's order, if the decision is adverse to him.

16 5. Respondent understands that, under the Board's charge to protect the public by  
17 regulating the practice of medicine, the Board may take disciplinary action against Respondent's  
18 license, including license probation, license suspension, license revocation and imposition of  
19 administrative fines, as well as any other reasonable requirement or limitation, if the Board  
20 concludes that Respondent violated one or more provisions of the Medical Practice Act.

21 6. Respondent understands and agrees that this Agreement, by and between  
22 Respondent and the IC, is not with the Board, and that the IC will present this Agreement to the  
23 Board for consideration in open session at a duly noticed and scheduled meeting. Respondent  
24 understands that the IC shall advocate for the Board's approval of this Agreement, but that the  
25 Board has the right to decide in its own discretion whether or not to approve this Agreement.

26 7. Respondent further understands and agrees that if the Board approves this  
27 Agreement, then the terms and conditions enumerated below shall be binding and enforceable  
28 upon him and the Board.

1           **B.     Terms & Conditions**

2           **NOW, THEREFORE**, in order to resolve the matters addressed herein, i.e., the matters  
3 with regard to the Complaint, Respondent and the IC hereby agree to the following terms and  
4 conditions:

5           1.     **Jurisdiction.** Respondent is, and at all times relevant to the Complaint has been, a  
6 physician licensed to practice medicine in Nevada subject to the jurisdiction of the Board as set  
7 forth in the Medical Practice Act.

8           2.     **Representation by Counsel/Knowing, Willing and Intelligent Agreement.**  
9 Respondent acknowledges he is represented by counsel, and wishes to resolve the matters  
10 addressed herein with said counsel. Respondent agrees that if representation by counsel in this  
11 matter materially changes prior to entering into this Agreement and for the duration of this  
12 Agreement, that counsel for the IC will be timely notified of the material change. Respondent  
13 agrees that he knowingly, willingly and intelligently enters into this Agreement after deciding to  
14 have a full consultation with and upon the advice of legal counsel.

15          3.     **Waiver of Rights.** In connection with this Agreement, and the associated terms  
16 and conditions, Respondent knowingly, willingly and intelligently waives all rights in connection  
17 with this administrative matter. Respondent hereby knowingly, willingly and intelligently waives  
18 all rights arising under the United States Constitution, the Nevada Constitution, the Medical  
19 Practice Act, the OML, the APA, and any other legal rights that may be available to him or that  
20 may apply to him in connection with the administrative proceedings resulting from the Complaint  
21 filed in this matter, including defense of the Complaint, adjudication of the allegations set forth in  
22 the Complaint, and imposition of any disciplinary actions or sanctions ordered by the Board.  
23 Respondent agrees to settle and resolve the allegations of the Complaint as set out by this  
24 Agreement, without a hearing or any further proceedings and without the right to judicial review.

25          4.     **Acknowledgement of Reasonable Basis to Proceed.** As of the time of entering  
26 into this Settlement Agreement, the allegations of the Complaint remain unproven. Respondent  
27 acknowledges that the IC believes it has a reasonable basis to allege that Respondent engaged in  
28 conduct that is grounds for discipline pursuant to the Medical Practice Act. The IC acknowledges

1 Respondent is not admitting that the IC's claims/counts as alleged in the Complaint have merit  
2 and Respondent is agreeing to resolve this matter to avoid the costs of hearing and potential  
3 subsequent litigation. Respondent asserts if this matter were to proceed to hearing, he has  
4 evidence, witnesses, expert witness(es) and defenses to the counts/claims alleged in the  
5 Complaint, but for the purposes of resolving the matter and for no other purpose, Respondent  
6 waives the presentation of evidence, witnesses, expert witnesses, and defenses in order to  
7 effectuate this Agreement.

8 **5. Consent to Entry of Order.** In order to resolve this Complaint pending against  
9 Respondent, Respondent hereby agrees that the Board may issue an order finding that Respondent  
10 engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. Accordingly,  
11 the following terms and conditions are hereby agreed upon:

12 a. Respondent admits to Count I NRS 630.3062(1)(a) Failure to Maintain  
13 Proper Medical Records; Count II NRS 630.3062(1)(a) Failure to Maintain Proper Medical  
14 Records; Count III NRS 630.3065(2)(a) Failure to Comply with Order.

15 b. Respondent will pay the costs and expenses incurred in the investigation  
16 and prosecution of the above-referenced matter within sixty (60) days of the Board's acceptance,  
17 adoption and approval of this Agreement, the current amount being five thousand four hundred  
18 nineteen dollars and ninety-six cents (\$5,419.96), not including any costs that may be necessary to  
19 finalize this Agreement.

20 c. Respondent shall pay a fine of one thousand dollars (\$1,000.00) within sixty  
21 (60) days of the Board's acceptance, adoption and approval of this Agreement.

22 d. This Agreement shall be reported to the appropriate entities and parties as  
23 required by law, including, but not limited to, the National Practitioner Data Bank.

24 e. Respondent shall receive a Public Letter of Reprimand.

25 f. Any other claims arising from Board Investigation No. 16-16277, shall be  
26 dismissed with prejudice.

27 g. Respondent shall keep a female chaperon employed and present during all  
28 of his female patient encounters and document such chaperon within the medical records.

1           **6.     Release From Liability.** In execution of this Agreement, Respondent understands  
2 and agrees that the State of Nevada, the Board, and each of its members, staff, counsel,  
3 investigators, experts, peer reviewers, committees, panels, hearing officers, consultants and agents  
4 are immune from civil liability for any decision or action taken in good faith in response to  
5 information acquired by the Board. NRS 630.364(2)(a). Respondent agrees to release the State of  
6 Nevada, the Board, and each of its members, staff, counsel, investigators, experts, peer reviewers,  
7 committees, panels, hearing officers, consultants and agents from any and all manner of actions,  
8 causes of action, suits, debts, judgments, executions, claims and demands whatsoever, known and  
9 unknown, in law or equity, that Respondent ever had, now has, may have or claim to have, against  
10 any or all of the persons, government agencies or entities named in this paragraph arising out of,  
11 or by reason of, this investigation, this Agreement or the administration of the case referenced  
12 herein.

13           **7.     Procedure for Adoption of Agreement.** The IC and counsel for the IC shall  
14 recommend approval and adoption of the terms and conditions of this Agreement by the Board in  
15 resolution of this Complaint. In the course of seeking Board acceptance, approval and adoption of  
16 this Agreement, counsel for the IC may communicate directly with the Board staff and the  
17 adjudicating members of the Board. Respondent acknowledges that such contacts and  
18 communications may be made or conducted ex parte, without notice or opportunity to be heard on  
19 his part until the public Board meeting where this Agreement is discussed, and that such contacts  
20 and communications may include, but may not be limited to, matters concerning this Agreement,  
21 the Complaint and any and all information of every nature whatsoever related to this matter. The  
22 IC and its counsel agree that Respondent and/or Counsel for the Respondent may appear at the  
23 ///  
24 Board meeting where this Agreement is discussed and, if requested, respond to any questions that  
25 may be addressed to the IC or the IC's counsel.

26           **8.     Effect of Acceptance of Agreement by Board.** In the event the Board accepts,  
27 approves and adopts this Agreement, the Board shall issue a final order, making this Agreement  
28 an order of the Board, and, pending full compliance with the terms herein, the case shall be closed

1 and all remaining claims arising out of the Complaint shall be dismissed with prejudice.

2       **9. Effect of Rejection of Agreement by Board.** In the event the Board does not  
3 accept, approve and adopt this Agreement, this Agreement shall be null, void and of no force and  
4 effect except as to the following agreement regarding adjudications: (1) Respondent agrees that,  
5 notwithstanding rejection of this Agreement by the Board, nothing contained in this Agreement  
6 and nothing that occurs pursuant to efforts of the IC to seek the Board's acceptance of this  
7 Agreement shall disqualify any member of the adjudicating panel of the Board from considering  
8 this Complaint and from participating in disciplinary proceedings against Respondent, including  
9 adjudication of this case; and (2) Respondent further agrees that he shall not seek to disqualify any  
10 such member absent evidence of bad faith.

11       **10. Binding Effect.** If approved by the Board, Respondent understands that this  
12 Agreement is a binding and enforceable contract upon Respondent and the Board.

13       **11. Forum Selection Clause.** The parties agree that in the event either party is  
14 required to seek enforcement of this Agreement in district court, the parties consent to such  
15 jurisdiction and agree that exclusive jurisdiction shall be in the Second Judicial District Court,  
16 State of Nevada, Washoe County.

17       **12. Attorneys' Fees and Costs.** The parties agree that in the event an action is  
18 commenced in district court to enforce any provision of this Agreement, the prevailing party shall  
19 be entitled to recover reasonable attorneys' fees and costs.

20       **13. Failure to Comply With Terms.** Should Respondent fail to comply with any term  
21 or condition of this Agreement once the Agreement has been accepted, approved and adopted by  
22 the Board, the IC shall be authorized to immediately suspend Respondent's license to practice  
23 medicine in Nevada pending an Order To Show Cause Hearing, which will be duly noticed.  
24 Failure to comply with the terms of this Agreement, including failure to pay any fines, costs,  
25 expenses or fees owed to the Board, is a failure to comply with an order of the Board, which may  
26 result in additional disciplinary action being taken against Respondent. NRS 630.3065(2)(a).  
27 Further, Respondent's failure to remit payment to the Board for monies agreed to be paid as a  
28 condition of this Agreement may subject Respondent to civil collection efforts.

**WITNESS AFFIDAVIT OF [REDACTED]**

I, [REDACTED], being first duly sworn, declare under penalty of perjury under the laws of the State of Nevada that the following assertions are true to the best of my knowledge and:

1. I am a resident of Nevada over the age of 18 years old.
2. I visited the office of Morton Hyson, M.D. on February 7, 2022. I was referred to Dr. Hyson by the office of Carl Williams, M.D. for a neurological test. Throughout my visits I referred to Dr. Hyson as "doctor" or "sir". During this short visit, I provided new patient paperwork, the test was explained to me by Dr. Hyson and there was no physical contact with him. I scheduled an appointment for February 9, 2022 to have my test performed.
3. During the appointment on February 9, 2022, I checked in with reception and was seen by Dr. Hyson for my test. Dr. Hyson explained it was a two (2) part test and indicated an associate of his would perform the first part of the test and he would perform the second part of the test. During my visit I was very uncomfortable with the unusually high number of compliments to my clothes, glasses and nails that Dr. Hyson was continually giving me. My clothing that I wore during this visit was relatively the same as the clothes I was wearing during my first visit.
4. During my appointment on February 9, 2022, I underwent the first portion of the test with Dr. Hyson's associate. Once the first part of the test was concluded, Dr. Hyson's associate left the room and Dr. Hyson was to perform the second part of the test.

1           5.       Dr. Hyson's associate asked me to disrobe from the waist up once he left the room  
2 and provided a hospital gown to cover myself. Before the associate left, Dr. Hyson abruptly came  
3 into the room as if he had been sitting outside eavesdropping and the associate made his way out. I  
4 remained in my shirt and Dr. Hyson robed me over my shirt himself while inappropriately caressing  
5 my arms which made me very uncomfortable. Dr. Hyson performed his version and portion of this  
6 test by pricking my arm five (5) times with needles without prepping my skin for penetration of  
7 needles. My arm was bleeding after the test and he used paper towels to clean the wounds, spreading  
8 blood all over my arm. After the test was over, I sat at the bench in the room with my legs crossed  
9 waiting for further instructions.

10           6.       Dr. Hyson sat close to me and caressed the top of my foot. While caressing my foot,  
11 he asked me a question to which I responded "yes, sir" and he stated "there is no reason for you to  
12 call me sir, you can call me daddy." At that moment, I got up from the bench and grabbed my  
13 belongings. He then proceeded to come close for a hug, his hand reached under my clothing and  
14 caressed the side of my body and the side of my breast. He then came close to my face to kiss me, I  
15 turned my head and he landed on my cheek. I pushed him away and said "we are done here."

16           7.       I then headed to the door, he approached me and pulled out a large wad of cash from  
17 his back pocket and peeled off a couple hundred dollars. He shoved the money in my hand and  
18 walked me to the reception desk while pressuring me to come back for another visit. He stood with  
19 me, uncomfortably, at the reception desk until someone at the desk acknowledged me. I made  
20 another appointment under the pressure from the receptionist, but had no intention of keeping that  
21 appointment.

8. When I visited my surgeon's office, the test results were almost impossible to get from Dr. Hyson's office. I later underwent a second test that was very dissimilar from the test Dr. Hyson performed.
