20 Nevada. His license was originally issued on October 15, 2012 (License No. PA1384).

21 2. On June 28, 2023, in Case No. 23-40388-1, the IC filed a formal Complaint
22 (Complaint) charging Respondent with violating the Medical Practice Act. Specifically, the
23 Complaint alleges one (1) violation of NRS 630.306(1)(b)(3), Violation of Statutes and

26
27 ¹ All agreements and admissions made by Respondent are solely for final disposition of this matter and any
28 subsequent related administrative proceedings or civil litigation involving the Board and Respondent. Therefore,
Respondent's agreements and admissions are not intended or made for any other use, such as in the context of another
state or federal government regulatory agency proceeding, state or federal civil or criminal proceeding, any state or
federal court proceeding, or any credentialing or privileges matter.

1 3. Respondent was properly served with a copy of this Complaint, has reviewed and
2 understands this Complaint, and has had the opportunity to consult with competent counsel
3 concerning the nature and significance of this Complaint.

4 4. Respondent is hereby advised of his rights regarding this administrative matter, and
5 of his opportunity to defend against the allegations in the Complaint. Specifically, Respondent has
6 certain rights in this administrative matter as set out by the United States Constitution, the Nevada
7 Constitution, the Medical Practice Act, the Nevada Open Meeting Law (OML), which is
8 contained in NRS Chapter 241, and the Nevada Administrative Procedure Act (APA), which is
9 contained in NRS Chapter 233B and 622A. These rights include the right to a formal hearing on
10 the allegations in the Complaint, the right to representation by counsel, at his own expense, in the
11 preparation and presentation of his defense, the right to confront and cross-examine the witnesses
12 and evidence against him, the right to written findings of fact, conclusions of law and order
13 reflecting the final decision of the Board, and the right to judicial review of the Board's order, if
14 the decision is adverse to him.

15 5. Respondent understands that, under the Board's charge to protect the public by
16 regulating the practice of medicine, the Board may take disciplinary action against Respondent's
17 license, including license probation, license suspension, license revocation and imposition of
18 administrative fines, as well as any other reasonable requirement or limitation, if the Board
19 concludes that Respondent violated one or more provisions of the Medical Practice Act.

20 6. Respondent understands and agrees that this Agreement, by and between
21 Respondent and the IC, is not with the Board, and that the IC will present this Agreement to the
22 Board for consideration in open session at a duly noticed and scheduled meeting. Respondent
23 understands that the IC shall advocate for the Board's approval of this Agreement, but that the
24 Board has the right to decide in its own discretion whether or not to approve this Agreement.
25 Respondent further understands and agrees that if the Board approves this Agreement, then the
26 terms and conditions enumerated below shall be binding and enforceable upon him and the Board.
