**ORDER MODIFYING TERMS OF THE BOARD'S FINDINGS OF FACT,**

**CONCLUSIONS OF LAW, AND ORDER FILED ON OCTOBER 2, 2023**

George Peter Chambers, Jr., M.D. (Respondent), License No. 10476, and his counsel, Liborius I. Agwara, Esq., personally appeared in Las Vegas, Nevada, before the Nevada State Board of Medical Examiners (Board) at its regularly scheduled meeting on September 13, 2024, requesting modification of the terms of the Findings of Fact, Conclusions of Law, and Order in this case, filed on October 2, 2023 (FFCL Order). Information presented to the Board in connection with Respondent's request is attached hereto as **Exhibit 1**.

After considering the request, the Board enters the following Order modifying the terms of the FFCL Order:

1. Respondent currently owes the Board fifty-one thousand seven hundred seventeen dollars and thirty-seven cents (\$51,717.37) in costs and six thousand dollars (\$6,000) in fines pursuant to the FFCL Order.

2. Respondent's request to modify the FFCL Order to allow additional time to make payments is hereby **GRANTED**.

3. The FFCL Order is modified to allow Respondent to pay the total amount owed in twenty-four (24) monthly payments starting on October 15, 2024, by way of an initial payment of two thousand four hundred and four dollars and ninety cents (\$2,404.90) due on or before October 15, 2024, and then twenty-three (23) equal payments of two thousand four hundred and

1 four dollars and eighty-nine cents (\$2,404.89) due on or before the fifteenth day of each month  
2 thereafter, with the final payment due on or before September 15, 2026.

3 4. Respondent's request that the Board deem his satisfactory completion of the  
4 Professional Boundaries Program through PACE at the University of San Diego in  
5 December 2022 as fulfilling the FFLC Order requirement that he complete that program, *see* page  
6 6, section 1(b), is hereby **GRANTED**.

7 5. Respondent further requested that the requirement that he be accompanied by a  
8 medical chaperone during the entirety of all patient interactions be lifted. That request is  
9 **DENIED**. Accordingly, Respondent must continue to ensure that he is accompanied by a medical  
10 chaperone during the entirety of all patient interactions as outlined in more detail in the FFLC  
11 Order section 2(a), pages 6 through 7.

12 6. The remainder of the terms contained in the FFLC Order shall remain in effect and  
13 Respondent must comply with these terms as stated.

14 **IT IS HEREBY ORDERED.**

**AFFIDAVIT OF GEORGE CHAMBERS, JR., M.D. IN SUPPORT  
OF HIS REQUEST TO REINSTATE HIS LICENSE**

I, GEORGE CHAMBERS, JR., M.D., Respondent in the above-referenced matter, do solemnly declare, under penalty of perjury, that the following statements are true:

1

1           2.     That on or about September 15, 2023, the Board voted to revoke my  
2 medical license, stayed the revocation, and placed me on probation for two years,  
3  
4 along with other requirements, some of which are as follows:

- 5           --     Pay the costs of the proceeding in the amount of \$54,217.37 by  
6                 March 15, 2024.  
7           --     Pay fines in the amount of \$6,000 by March 15, 2024.  
8           --     Complete CPEP PROBE Ethics & Boundaries Course by March  
9                 15, 2024.  
10          --     Complete the Professional Boundaries Program through PACE by  
11                 March 15, 2024.

12           3.     That I completed the Professional Boundaries Program through PACE  
13 on December 12, 2022, a few months after the Board filed a formal complaint  
14 against me, but prior to the Board's orders; that I am requesting that the Board  
15 accept the course I took as meeting the requirement in the Board's order for me to  
16 take the same course.

17           4.     That on or about July 24, 2024, the Investigative Committee ("IC") of  
18 this Board suspended my license for failure to timely comply with the Board's  
19 orders as outlined above; that this failure, for which I take full responsibility, was  
20 due to several factors beyond my control, including (1) inability to secure  
21 employment as a result of board-imposed restrictions; and (2) a contentious and  
22 expensive divorce from my wife.  
23  
24

25           5.     That I am requesting that the Board reinstate my license, so that I can  
26 work to take care of my children and pay off the costs and fines imposed by the  
27 Board; that it is for this purpose that I make this affidavit; that to show good faith, I  
28

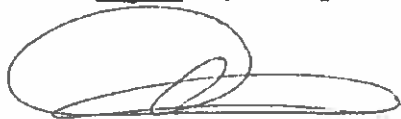

1 borrowed some money to make a payment of \$2,500 to the Board toward the costs  
2 of proceeding and fines; that if my license is reinstated, I will make monthly  
3 payments to the Board until the balance is paid off; that I also have no plans to  
4 resume my cosmetic vaginal rejuvenation practice, as all the complaints I have had,  
5 including those that led to this case, emanated from this practice area; that I plan to  
6 concentrate on obstetrics and gynecology; that I am, as a result, requesting  
7 that the Board remove the requirement for me to be chaperoned, as that is already  
8 the requirement in all hospitals and the standard of practice, which I have observed  
9 in the 25 years of my practice; that having the chaperone as a disciplinary sanction  
10 will prevent me from regaining my hospital privileges and board certification, both  
11 of which I need to secure meaningful employment.

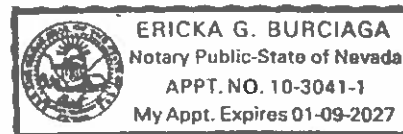

12 FURTHER DECLARANT SAYETH NAUGHT.
