COMPLAINT

The Investigative Committee¹ (IC) of the Nevada State Board of Medical Examiners (Board), by and through Alexander J. Hinman, Deputy General Counsel and attorney for the IC, having a reasonable basis to believe that Jason Shayne Dazley, M.D., (Respondent) violated the provisions of Nevada Revised Statutes (NRS) Chapter 630 and Nevada Administrative Code (NAC) Chapter 630 (collectively, the Medical Practice Act), hereby issues its Complaint, stating the IC's charges and allegations as follows:

1. Respondent was at all times relative to this Complaint a physician holding an active license to practice medicine in the State of Nevada (License No. 15731). Respondent was originally licensed by the Board on February 17, 2015.

2. Respondent was the medical director of two (2) Prime IV Hydration & Wellness ("Prime IV") locations: 10595 Discovery Drive, Suite 4, Las Vegas, Nevada, 89135, and 2560 St. Rose Parkway, Suite 130, Henderson, Nevada, 89074.

3. Prime IV opened its Discovery Drive location in August of 2022 and is currently still open.

4. Respondent was the medical director of Prime IV, as it pertains to this Complaint, from August 2022 to July 2023.

¹ The Investigative Committee of the Nevada State Board of Medical Examiners, at the time this formal Complaint was authorized for filing, was composed of Board members Bret W. Frey, M.D., Col. Eric D. Wade, USAF (Ret.), Carl N. Williams, Jr., M.D., FACS.

1 5. Prime IV offers intravenous (IV) therapy services that include a variety of vitamins
2 and supplements, such as Vitamin B5, B6, B12, L-Arginine, Glutathione, and Magnesium
3 Chloride, as well as medications commonly used to treat pain such as Toradol, which increases the
4 risk of heart attack and stroke if the patient has a heart condition. Lastly, the nausea medication,
5 Ondansetron was often included in the IV therapy services provided, which is also contraindicated
6 in patients with certain heart conditions or electrolyte imbalances.

7 6. These medications were provided with frequency and without a clear
8 understanding of who all received which ones, and what history was taken from the patients
9 before the infusions.

10 7. On July 6, 2023, a joint site inspection was conducted by the Board and the Nevada
11 State Board of Pharmacy (Pharmacy Board) in response to a complaint alleging unsafe and
12 unsanitary practices at Prime IV's Discovery Drive location.

13 8. During the onsite inspection, it was discovered that no primary-level practitioners
14 were present at the facility. Dangerous drugs were being administered to patients without prior
15 practitioner evaluation, diagnosis or visit and without a documented medical necessity, chart
16 order, or prescription. The records further indicated that these drugs were being administered to
17 patients without any telemedicine consultation or practitioner consult. Additionally, chart orders
18 were being signed *after* the administration of the dangerous drugs. It was also noted that these
19 medications were being stored in a refrigerator alongside food items, in violation of proper storage
20 protocols. Lastly, Magnesium Chloride was frequently administered to numerous patients, often
21 without a clear record of who received the treatment or what medical history was obtained prior to
22 the infusions.

23 9. On February 27, 2024, the Pharmacy Board filed a Notice of Intended Action and
24 Accusation (Accusation), attached hereto as **Exhibit 1**. In pertinent part, the Pharmacy Board
25 Accusation alleged that Respondent permitted various individuals to independently access,
26 possess and administer dangerous drugs to patients to provide on-site medical treatment at Prime
27 IV, without direct supervision and to patients with whom Respondent had not diagnosed or
28 determined medical necessity.

11 11. Respondent failed to report the Stipulation to the Board within forty-five (45) days
12 of entering into the Pharmacy Board Stipulation on October 16, 2024, which included sanctions
13 reportable to the National Practitioner Data Bank.

NRS 630.301(4) - Malpractice

16 12. All of the allegations contained in the above paragraphs are hereby incorporated by
17 reference as though fully set forth herein.

18 13. NRS 630.301(4) provides that malpractice of a physician is grounds for initiating
19 disciplinary action against a licensee.

14. NAC 630.040 defines malpractice as “the failure of a physician, in treating a patient, to use the reasonable care, skill, or knowledge ordinarily used under similar circumstances.”

1 visit, chart order, or prescription from a qualified practitioner; by retroactively signing medication
2 orders following administration to the patients; and storing drugs improperly, including placement
3 in a refrigerator alongside food items, in violation of safety and storage regulations, posing
4 significant risk to patient safety.

5 16. By reason of the foregoing, Respondent is subject to discipline by the Board as
6 provided in NRS 630.352.

7 **COUNT II**

8 **NRS 630.3062(1)(a) - Failure to Maintain Complete Medical Records**

9 17. All of the allegations contained in the above paragraphs are hereby incorporated by
10 reference as though fully set forth herein.

11 18. NRS 630.3062(1)(a) provides that the "failure to maintain timely, legible, accurate
12 and complete medical records relating to the diagnosis, treatment and care of a patient" constitute
13 grounds for initiating discipline against a licensee.

14 19. Respondent failed to maintain complete and accurate medical records by failing to
15 provide any record of patient interviews, the quantity of medication or infusion administered, or
16 any indication of medical necessity or clinical justification for the treatment provided. Therefore,
17 Respondent's records were not timely, legible, accurate, and complete.

18 20. By reason of the foregoing, Respondent is subject to discipline by the Board as
19 provided in NRS 630.352.

20 **COUNT III**

21 **NRS 630.306(1)(b)(3) – Violation of Statutes and Regulations of the**
22 **Nevada State Board of Pharmacy**

23 21. All of the allegations contained in the above paragraphs are hereby incorporated by
24 reference as though fully set forth herein.

25 22. Respondent is a practitioner as defined by NRS 639.0125(1), as a physician, who
26 holds a license to practice medicine in the State of Nevada.

27 23. NRS 630.306(1)(b)(3) provides that engaging in conduct that violates a provision
28 of Chapter 639 or NRS, or a regulation adopted by the State Board of Pharmacy pursuant thereto,

1 that is applicable to a licensee who is a practitioner, as defined in NRS 639.0125, is grounds for
2 initiating discipline against a licensee.

3 24. Respondent acknowledged that the evidence against him was sufficient to establish
4 a factual basis, and thus prove, violations of NRS Chapter 639 when he entered into the Pharmacy
5 Board Stipulation. Respondent thereby engaged in conduct that violated a provision of Chapter
6 639 of NRS, a regulation adopted by the Pharmacy Board pursuant thereto.

7 25. By reason of the foregoing, Respondent is subject to discipline by the Board as
8 provided in NRS 630.306(1)(b)(3) and NRS 630.352.

9 COUNT IV

10 **NRS 630.3062(1)(e) - Failure to Report Sanctions Within Forty-Five (45) Days**

11 26. All of the allegations contained in the above paragraphs are hereby incorporated by
12 reference as though fully set forth herein.

13 27. NRS 630.3062(1)(e) provides that the failure of a licensee to comply with the
14 requirements of NRS 630.3068 is grounds for initiating disciplinary action or denying licensure.

15 28. NRS 630.3068(1)(d) provides that a physician shall report to the Board any
16 sanctions imposed against the physician that are reportable to the National Practitioner Data Bank
17 within forty-five (45) days after the sanctions are imposed.

18 29. Respondent did not report to the Board within forty-five (45) days after entering
19 into a Stipulation and Order filed on October 16, 2024, Case Nos. 23-266-CS-A-S, and 23-266-
20 CS-B-S, which imposed a series of sanctions, including but not limited to being placed on
21 probation for a period of one (1) year and paying a fine of two thousand five hundred dollars
22 (\$2,500). *See Exhibit 2.*

23 30. By reason of the foregoing, Respondent is subject to discipline by the Board as
24 provided in NRS 630.352.

25 **WHEREFORE**, the Investigative Committee prays:

26 1. That the Board give Respondent notice of the charges herein against him and give
27 him notice that he may file an answer to the Complaint herein as set forth in
