1. Call to Order and Announcements

Roll Call/Quorum

2. Public Comment

3. Approval of Minutes (for possible action)

(a) July 17, 2026, Legislative Subcommittee Meeting

(b) August 14, 2026 Legislative Subcommittee Meeting

The Subcommittee will review and possibly approve the July 17, 2026, and August 14, 2026, Legislative Subcommittee meeting minutes.

4. Lobbyist Update (for discussion only)

Mike Sullivan, Board Lobbyist, The Ferraro Group, will provide the Subcommittee with an update regarding current legislative activities.

5. Update Continuing Medical Education (CME) Requirements (for possible action)

The Subcommittee will review, discuss, and possibly approve pursuing statutory changes to NRS 630.253, NRS 630.2535, NRS 630.269, NRS 630.279, and NRS 630.289 to add a requirement for all licensees to complete mandatory CME in nutrition and metabolic health, adding a new provision defining direct patient care, and making other necessary updates to the CME requirements contained in NRS Chapter 630.

6. Removing the Licensure of Anesthesiologist Assistants from the Board of Osteopathic Medicine (for possible action)

The Subcommittee will review, discuss, and possibly approve pursuing statutory changes that will repeal NRS 630.26835, NRS 630.2684, NRS 630.26845, NRS 633.013, NRS 633.017, NRS 633.1225, NRS 633.425, NRS 633.4252, NRS 633.4254, NRS 633.4256, NRS 633.4258, NRS 633.426, NRS 633.4262, NRS 633.4264, NRS 633.4266, NRS 633.4268, and NRS 633.427 in the 2027 Legislative Session. This will remove dual licensure for anesthesiologist assistants in the State of Nevada with both the Board of Medical Examiners and the Board of Osteopathic Medicine and will result in continued licensure for anesthesiologist assistants under just one board (the Board of Medical Examiners) going forward. This will ease the licensing and compliance burdens for anesthesiologist assistants, anesthesiologists, hospitals, and other facilities in Nevada while ensuring continued public protection and safety through continued and more simplified licensing.

The Subcommittee will review and discuss the list of previously approved statutory changes as prepared and compiled by Staff. The Subcommittee will also review and discuss the list of previously approved statutory changes to supposed in the 2027 Legislative Session. The Subcommittee will review these lists for accuracy and may vote to add items, amend items, remove items, or move an item from one list to the other. A preliminary draft of the statutory changes that the Subcommittee has voted to pursue in the 2027 Legislative Session will be provided the Subcommittee for final review and approval at the November Subcommittee meeting, and a final draft of statutory changes that the Subcommittee has voted to pursue in the 2027 Legislative Session will be provided to the full Board at its meeting in December for review, discussion, and possible approval.
10. Other Statutory Changes Needed (for discussion only)
